[19th *May* 1795.]

Preamble.

WHEREAS by an Act, made in the Twenty-fourth Year of the Reign of His present Majesty, intituled, *An Act to enable His Majesty to grant to the Heirs of the former Proprietors, upon certain Terms and Conditions, the forfeited Estates in* Scotland, *which were put under the Management of a Board of Trustees by an Act, passed in the Twenty-fifth Year of the Reign of His late Majesty King* George *the Second, and to repeal the said Act*, it is enacted, That it shall and may be lawful to His Majesty, His Heirs and Successors, to give, grant, and dispone, to Colonel *Duncan Macpherson*, only lawful Son of *Evan Macpherson* late of *Cluny*, and his Heirs and Assigns, all and every the Lands and Estate which became forfeited to His said late Majesty, by the Attainder of the said *Evan Macpherson*, now deceased; subject always to, and chargeable with, the Sum of Five thousand one hundred and thirty-eight Pounds Seventeen Shillings and Eleven-pence and Seven Twelfth Parts of a Penny Sterling of Principal Money; to be paid into the Court of Exchequer in *Scotland*, as by the said Act is directed: And whereas it appears that the following Sums of Money, which belonged to the aforesaid *Evan Macpherson* of *Cluny*, the forfeiting Person, were recovered at the Suit of the Crown, and applied to the Use of the Publick; *videlicet*, from *James Macpherson* of *Killyhuntly* the Sum of One thousand seven hundred twenty-six Pounds Eighteen Shillings and Six Twelfth Parts of a Penny Sterling; and from the forfeited Estate of *Lovat* the Sum of Two hundred and twenty-three Pounds Twelve Shillings and Ten-pence; making together the Sum of One thousand nine hundred and fifty Pounds Ten Shillings and Ten-pence and Six Twelfth Parts of a Penny Sterling; but when the said Act of the Twenty-fourth of His Majesty's Reign above-mentioned was passed, for restoring the said Estate of *Cluny* to the aforesaid Colonel *Duncan Macpherson*, the Debts due by his said Father were stated at their full Amount, without giving him Credit for the above Two Sums,
