Five Guardians of the Pariſh Poor Children to be choſen.

Where any ſhall refuſe to act, or ſhall reſign, or die, a further Choice to be made.

shall be made in the same Manner as before mentioned, within Fourteen Days after such Refusal, Resignation, or Death, of so many as shall be necessary to complete the Number.

First Guardians to continue in Office till the Year 1770;

And be it further enacted by the Authority aforesaid, That such Noblemen, Gentlemen, or principal Inhabitants, who shall, in consequence of this Act, be first chosen and appointed Guardians of the Parish Poor Children, shall continue and remain in their respective Offices till the Day in Easter Week, in the Year One thousand seven hundred and seventy, of the Inhabitants meeting for the Choice of Guardians as aforesaid; and that the Guardians then chosen, or at any Time thereafter to be chosen, shall remain in their respective Offices for the Term of Three Years then next ensuing: And that all Appointments of Guardians in future, shall be Once in Three Years only; except in Cases of Death, Resignation, or Refusal as aforesaid.

Future Guardians to remain 3 Years in Office.

Churchwardens and Overseers disqualified from being elected Guardians.

Provided always, That no Churchwarden, or Overseer of the Poor, shall be elected into the said Office of a Guardian.

Power and Duty of Guardians.

And be it further enacted by the Authority aforesaid, That the said Guardians, or any One of them, shall have free Admittance to visit and see the said Parish Poor Children, and inform themselves fully concerning their State and Condition; and the said Guardians shall also have full Liberty to examine, and have free Access to, all Registers, Books, and Accounts, relating to the said Children: And in case of any Neglect or improper Conduct, whereby the Life or Health of a Child may appear to the said Guardians, or to any One of them, to be in Danger, to report the same to the Select Vestry, Governors, Directors, or Managers, or to the Churchwardens or Overseers of the Poor: And if the said Vestry, Governors, Directors, or Managers, Churchwardens, or Overseers, or some or One of them, do not take the most efficacious Measures to remedy the Evil complained of; that then it shall be lawful to and for the said Guardians, or any One of them, to inform One or more of his Majesty's Justices of the Peace, and give Evidence of the Facts; and the said Justice or Justices of the Peace is and are hereby impowered to give such Orders and Directions therein, as he or they shall think most proper.

Evils complained of by them, how to be remedied.

A Meeting of the Guardians to be summoned every 6 Weeks;

And be it further enacted, That the said Guardians shall be summoned, by the Vestry Clerk, at least Once in Six Weeks, to meet at the Vestry-room, or, where there is no Vestry-room, in other convenient Place; and

and Two of the ſaid Guardians ſhall make a Quorum, either of them having the Liberty of calling in One of the Churchwardens or Overſeers; and when only One of the ſaid Guardians is preſent, he ſhall have the Liberty of calling in Two of the Churchwardens or Overſeers, who ſhall attend him accordingly; and when any Number of the ſaid Five Guardians ſhall meet, they ſhall have the Liberty of calling in Two of the Churchwardens or Overſeers, as the Majority of them ſhall think proper.

Two make a *Quorum*.

Power given them ſingly, or jointly, to call in the Churchwardens or Overſeers.

And whereas in many Pariſhes the ſaid Select Veſtries, Governors, Directors, or Managers, Churchwardens, or Overſeers of the Poor, may find it inconvenient and difficult, through want of regular Correſpondence with proper Perſons in the Country, to ſupply them with Nurſes, and alſo to take the Charge of inſpecting Nurſeries in ſuch a Manner as ſhall prove effectual to the Preſervation of the Lives of the ſaid Children; be it therefore enacted by the Authority aforeſaid, That the ſaid Select Veſtries, Governors, Directors, or Managers, Churchwardens, or Overſeers of the Poor, ſhall be at Liberty to ſend their ſaid Pariſh Poor Children, or any of them, being under the Age of Six Years as aforeſaid, to the Hoſpital for the Maintenance and Education of Expoſed and Deſerted Young Children; and it ſhall and may be lawful to and for the Governors and Guardians of the ſaid Hoſpital, for the time being, to receive ſuch Children: And the ſaid Select Veſtries, Governors, Directors, Managers, Churchwardens, or Overſeers of the Poor, are hereby impowered to agree with the ſaid Governors and Guardians for that Purpoſe, upon ſuch Terms, and in ſuch Manner, as ſhall be adequate to the Support and Maintenance of each Child.

Liberty granted, of ſending Pariſh Poor Children, under 6 Years of Age, to the *Foundling Hoſpital*,

upon ſuch Terms as ſhall be agreed on:

And be it enacted by the Authority aforeſaid, That the Terms ſo agreed upon, and the Sums agreed to be paid for the Admiſſion, Maintenance, and Education, of ſuch Pariſh Poor Children as ſhall be ſent to the ſaid Hoſpital, ſhall be paid by the Overſeer or Overſeers of the Poor for the time being, out of the Poors Rate of each Pariſh reſpectively: And in caſe any Sum or Sums of Money agreed between the ſaid Select Veſtries, Governors, Directors, or Managers, Churchwardens, or Overſeers, and the Governors and Guardians of the ſaid Hoſpital, or any Five of them in Committee, ſhall not be paid, by ſuch Overſeer or Overſeers, to the Perſon or Perſons who ſhall be authorized by the ſaid Governors and Guardians to receive the ſame; it ſhall and may be lawful to and for any One or more of His Ma-

The Charge to be defrayed out of the Poor Rates;

and if not duly paid,

any Juſtice may ſummon the Overſeers,

jeſty's Juſtices of the Peace for the Counties of Middleſex or Surrey, the City and Liberty of Weſtminſter, or Liberties of the Tower Hamlets, reſpectively, to ſummon the Overſeer or Overſeers who ſhall refuſe or neglect to

and order immediate Payment, with the Charges incurred;

make ſuch Payment, and to order immediate Payment to be made of ſo much as ſhall appear to ſuch Juſtice or Juſtices to be due, together with ſuch Coſts and Charges as may have been incurred by the ſaid Governors and Guardians in conſequence of ſuch Refuſal or Neglect:

and, on Refuſal, may levy the ſame by Diſtreſs and Sale.

And if the Overſeer or Overſeers ſhall refuſe or neglect to obey the Order of ſuch Juſtice or Juſtices, the Sum directed to be paid thereby ſhall be recovered by Diſtreſs and Sale of the Goods and Chattles of ſuch Overſeer or Overſeers, together with the Coſts attending ſuch Diſtreſs and Sale, rendering the Overplus (if any) to the Owner.

The Death, Diſcharge, or Apprenticeſhip, of any Child, to be certified to the Veſtry Clerk of the Pariſh.

And be it further enacted by the Authority aforeſaid, That at the Time of the Death, Diſcharge, or Apprenticeſhip, of any ſuch Pariſh Poor Child, a Certificate thereof ſhall be ſent, by the Secretary of the ſaid Governors and Guardians, to the Veſtry Clerk, or Overſeers of the Poor, of ſuch Pariſh to which the ſaid Child did belong.

Hoſpital Account to be kept with each Pariſh diſtinct.

And be it further enacted by the Authority aforeſaid, That the Hoſpital Account ſhall be kept with each Pariſh diſtinct, in a proper Book or Books, with marginal Columns, according to the Schedule annexed, marked (A); and that ſuch Book or Books, or true Copies thereof, ſhall be ſigned by the Secretary of the Hoſpital.

Pariſh Children, and Foundlings, to be apprentic'd for not more than 7 Years, or till 21 Years of Age.

And whereas it often diſturbs the Peace of Domeſtic Life, checks Marriage, and diſcourages Induſtry, to place out Pariſh Boys to the Age of Twenty four Years; therefore, in order to remedy the ſame, be it enacted by the Authority aforeſaid, That it ſhall and may be lawful to place or bind out Boys as well as Girls Apprentices, by the reſpective Pariſh Officers for the time being, and alſo by the Governors and Guardians of the Hoſpital for the Maintenance and Education of Expoſed and Deſerted Young Children, for the Term of Seven Years, or till they ſhall attain their reſpective Ages of Twenty one Years, and no longer.

And whereas the Sums of Twenty Shillings to Forty Shillings now uſually given with a Child placed out by the Pariſhes, are by no Means adequate to the procuring ſuch Maſters and Miſtreſſes as are in general fit and proper: And whereas there is a general Neglect in the Moral and Religious Inſtruction of Apprentices; and ſome pecuniary Encouragement may excite Maſters and

and Miſtreſſes to diſcharge their Duty, in this Reſpect, towards young Perſons who are thus intruſted to their Care; be it therefore further enacted by the Authority aforeſaid, That from and after the ſaid Firſt Day of July, One thouſand ſeven hundred and ſixty ſeven, no ſuch Pariſh Child ſhall be bound out an Apprentice with a Sum leſs than Four Pounds Two Shillings as an Apprentice Fee; Forty Shillings whereof to be paid to the Maſter or Miſtreſs within Seven Weeks after executing the Indentures, and the remaining Forty two Shillings to be paid after ſuch Apprentice ſhall have ſerved Three Years of his or her Apprenticeſhip.

Apprentice Fee not to be leſs than 4 *l.* 2 *s.* and to be paid at Two Payments.

And whereas the Act of the Second of his preſent Majeſty, intituled, "An Act for the keeping regular, uniform, and annual Regiſters, of all Pariſh Poor Infants under a certain Age within the Bills of Mortality" requires no Account of the Children after the Age of Four Years; be it therefore further enacted by the Authority aforeſaid, That the reſpective Veſtries, Governors, Directors, Managers, Overſeers of the Poor, or other Officer or Officers, of the ſeveral and reſpective Pariſhes herein before mentioned, or ſome or One of them, ſhall, and they are hereby directed and required, on or before the ſaid Firſt Day of July, to provide, or cauſe to be provided, at the Expence of their reſpective Pariſhes wherein there is or ſhall be a Work-houſe, Hoſpital, or other Houſe or Place provided for the Maintenance of the Poor, a Book of Royal Paper, which ſhall be ruled with diſtinct Columns, and the Title of each Column ſhall be wrote or printed in ſuch Page agreeable to the Schedule hereunto annexed, marked (B); and the Book belonging to each reſpective Pariſh, wherein there is not nor ſhall be any ſuch Workhouſe, Hoſpital-houſe, or Place, ſhall in every Page be ruled with diſtinct Columns, and the Title of each Column ſhall be wrote or printed in ſuch Page agreeable to the Schedule hereunto annexed, marked (C); any thing in the ſaid Act of the Second Year of his preſent Majeſty's Reign, or any other Act or Acts of Parliament, to the contrary thereof in any wiſe notwithſtanding.

Act 2 *Geo.* III.

Particular Regiſters to be provided by each Pariſh, according as they come within the following Deſcription.

And be it further enacted by the Authority aforeſaid, That there ſhall be mentioned, at the Foot of each Regiſter, the groſs Number of the Children, remaining in the Hands of Mothers who have been relieved by the reſpective Pariſhes during the Courſe of the Year, not entered in the Regiſter; and the Number of ſuch who are known to be remaining alive.

Entry to be made at the Foot of each Regiſter.

Form of the Abſtract of the Regiſter of the Infant Poor.

And be it further enacted by the Authority aforeſaid, That the Abſtract of the Regiſter of the ſaid Infant Poor ſhall be according to the Schedule hereunto annexed, marked (D).

Manner of conducting their Regiſters.

And be it further enacted by the Authority aforeſaid, That the Names of all the Pariſh Poor Children who ſhall be alive, under the Care of any Governors, Directors, Managers, Churchwardens, or Overſeers of the Poor, on the Firſt Day of July next enſuing, ſhall be entered in the ſaid Regiſters, and ſhall be continued on, and transferred from Year to Year, in the ſaid Regiſter, 'till their Death, or Diſcharge to Parents or Friends, or 'till they are reſpectively placed out Apprentice; and that the Day of placing them out, and the Time of their Servitude, ſhall be entered in the ſaid Regiſters as above mentioned.

Annual Liſt to be made out by each Pariſh of the Children apprenticed, and delivered to the Company of Pariſh Clerks.

And be it further enacted by the Authority aforeſaid, That a full Liſt of all Apprentices placed out by the reſpective Pariſhes ſhall be made out by the Veſtry Clerks, or other proper Officer, and delivered, in the Month of February in every Year, to the Company of Pariſh Clerks; the ſame to be written on Royal Paper according to the Schedule annexed, marked (E), to be bound up and depoſited by the Company of Pariſh Clerks; and the ſaid Company ſhall make out an Abſtract thereof, diſtinguiſhing the Number placed out from each Pariſh, and how many of them were born in the Work-houſe or Pariſh-houſe; and ſhall cauſe the ſame to be printed; and ſhall ſend Six fair Copies of the ſaid Abſtract to each Pariſh reſpectively.

Abſtract thereof to be printed, and delivered to each Pariſh.

Regiſters and Liſts to commence and end annually at a certain Time.

And be it further enacted by the Authority aforeſaid, That the Firſt annual Regiſter of the ſaid Infant Poor, and alſo the Firſt annual Liſts of Apprentices, hereby intended and directed to be kept, ſhall commence on the ſaid Firſt Day of July, and ſhall end on the Thirty firſt Day of December enſuing; and, after that Time, the ſaid annual Regiſter and Liſts ſhall commence the Firſt Day of January, and end the Thirty firſt Day of December following.

General Expences not otherwiſe provided for, to be paid out of the Poors Rates.

And be it further enacted by the Authority aforeſaid, That all Expences incident to and attending the Nurſing, Maintenance, Education, placing out Apprentice, or otherwiſe relating to the Matters herein contained, the Manner whereof is not herein particularly ordered and directed, ſhall be paid out of the Monies ariſing from the Poors Rates of the reſpective Pariſhes wherein ſuch Expences ſhall be incurred.

And

And be it further enacted by the Authority aforeſaid, That if any Churchwarden, Overſeer of the Poor, Veſtryman, Clerk of the Veſtry, Maſter of the Work-houſe, Maſter or Warden of ſuch Company of Pariſh Clerks, or any Clerk of ſuch Company, or any other Perſon or Perſons, ſhall neglect his Duty as directed in and by this Act; ſuch Churchwarden, Overſeer of the Poor, Clerk of the Veſtry, or Maſter of the Work-houſe, Maſter or Warden of ſuch Company of Pariſh Clerks, or ſuch Clerk of ſuch Company, Perſon or Perſons, ſhall, for every Offence, forfeit and pay to the Informer the Sum of Five Pounds; to be recovered before any Two or more of his Majeſty's Juſtices of the Peace, and to be levied by Diſtreſs and Sale of the Goods and Chattles of the Offender, by virtue of a Warrant under the Hands and Seals of the Juſtices before whom the ſame ſhall be recovered, directed to any Conſtable or other Peace Officer; and if there ſhall be any Overplus of the ſaid Forfeiture, the ſame ſhall be returned to the Owner, after the Charges of ſuch Diſtreſs and Sale ſhall be deducted. Penalty on Pariſh Officers, and others, neglecting their Duty.

And be it further enacted by the Authority aforeſaid, That this Act ſhall be deemed, adjudged, and taken to be, a Public Act; and be judicially taken Notice of as ſuch, by all Judges, Juſtices, and other Perſons whatſoever, without ſpecially pleading the ſame. Publick Act.
