EXPLANATORY NOTE

(This note is not part of the Order.)

This Order amends the principal order, the Local Government (Employment of Public Health Inspectors) Order (Northern Ireland) 1973, which provides for the employment of public health inspectors by certain councils on behalf of groups of councils after consultation between such councils by means of a group committee on the appointment of and other matters relating to such inspectors.

It removes certain powers and functions of group committees namely those of deciding whether or not a person should be appointed a public health inspector and the undertaking of other matters incidental to the appointment of such inspectors.

It also removes the reference in Article 4(2) of the principal order to "directions of the group committee" so as to avoid any inconsistency with other provisions of that order.
