(a) S.I. 1978/1049 (N.I. 19)

EXPLANATORY NOTE

(This note is not part of the Order.)

Article 51 (codes of practice for minimising noise) of the Pollution Control and Local Government (Northern Ireland) Order 1978 empowers the Department of the Environment by order to prepare and approve and issue such codes of practice as in its opinion are suitable for the purpose of giving guidance on appropriate methods of minimising noise.

This order approves a code of practice which has been prepared by the Department to give guidance on methods for minimising noise from audible intruder alarms (''burglar alarms''). The code of practice is entitled ''Code of Practice on Noise from Audible Intruder Alarms 1982'' and is obtainable from HM Stationery Office, 80 Chichester Street, Belfast BT1 4JY, and through booksellers.

Article 52 (''best practicable means'') of the 1978 Order provides that references in the Order to ''best practicable means'' are to be construed in accordance with that Article and, in particular, by having regard to any relevant provision of a code of practice approved under Article 51.
