(*b*) A chemist may, at the request of a doctor licensed under the provisions of the Misuse of Drugs (Notification of and Supply to Addicts) Regulations (Northern Ireland) 1973(**a**) arrange to supply, in accordance with a special prescription form provided for the purpose by the Agency and signed by the licensed doctor, such drugs or appliances as may be so ordered. If the prescription form includes directions that part of the total supply of drugs ordered thereon shall be supplied on a stated day or days the chemist shall comply with these directions:

Provided that a chemist shall not be in breach of his terms of service; if—

(*d*) A chemist shall supply in a suitable container properly labelled any drugs which he is required to supply under this paragraph.

3(2)(*a*) In a case of urgency where a doctor personally known to a chemist requests him to dispense a drug, the chemist may supply that drug before receiving a prescription form, only if—

(i) that drug is not a Scheduled drug;

(ii) that drug is not a controlled drug within the meaning of the Misuse of Drugs Act 1971 other than a drug specified in Schedule 1 to the Misuse of Drugs (Northern Ireland) Regulations 1974; and

(*c*) A chemist shall not supply by way of pharmaceutical services under the Order or otherwise any Scheduled drug which is ordered by a doctor or his deputy or assistant on a prescription form.

3(3)(*a*) Where an order, not being an order to which the Poisons Regulations (Northern Ireland) 1983(**a**) or the Misuse of Drugs (Northern Ireland) Regulations 1974 apply, issued by a doctor or a dentist on a prescription form for drugs does not prescribe the quantity, strength or dosage thereof, a chemist may supply such strength and dosage of drugs so ordered as in the exercise of his professional skill, knowledge and care he shall consider to be appropriate, and, subject to the provisions of sub-paragraph (1)(*b*), in such quantity as he so considers to be appropriate for a course of treatment of the patient to whom the order relates, for a period not exceeding five days.

(*b*) Where an order to which sub-paragraph (*a*) applies is for—

(i) an oral contraceptive, or

(ii) a drug which is available for supply as part of pharmaceutical services only together with one or more drugs, or

(iii) an antibiotic in a liquid form for oral administration in respect of which pharmaceutical considerations require supply in an unopened package,

which is not available for supply as part of pharmaceutical services except in such packages that the minimum available package contains a quantity appropriate to a course of treatment for a patient for a period more than five days, the chemist may supply for the patient to whom the order relates, such minimum available package.

(**a**) S.R. 1983 No. 201

(4) Any drug so supplied which is included in the Drug Tariff shall be of a grade or quality not lower than the grade or quality specified therein and any drug not so included shall be of a grade or quality ordinarily used for medical purposes. Each appliance so supplied shall conform to any specification which may, from time to time, be included in the Drug Tariff in respect of that appliance and in the case of trusses, elastic hosiery, suprapubic belts and colostomy belts it shall, unless measurements have been specified by the prescriber, be the duty of the contractor to supply a properly fitting appliance.

(5) A chemist shall not give, promise or offer to any person requiring pharmaceutical services any gift or reward (whether by way of a share of or a dividend on the profits of the business or by way of discount or rebate or otherwise) as an inducement to or in consideration of his presenting an order for drugs or appliances on a prescription form provided by the Agency.''.

Revocation of regulations

5. The General Medical and Pharmaceutical Services (Amendment) Regulations (Northern Ireland) 1976(**a**) are hereby revoked.

SCHEDULE 3B Regulation 2(1)

DRUGS TO BE PRESCRIBED FOR SUPPLY UNDER PHARMACEUTICAL SERVICES ONLY IN CERTAIN CIRCUMSTANCES

Drug 1	Patient 2	Condition 3
Clobazam	Any Patient	Epilepsy

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These regulations amend the Health and Personal Social Services (General Medical and Pharmaceutical Services) Regulations (Northern Ireland) 1973. They make a number of amendments to certain provisions of those regulations relating to the terms on which doctors and chemists provide general medical and pharmaceutical services.

The terms of service for doctors are amended so that, in the course of treating a patient under general medical services, a doctor shall not issue that patient with a prescription for a drug or other substance listed in Schedule 3A for supply under pharmaceutical services, and a doctor entitled to dispense to a patient shall not so supply such a drug. In the case of a drug listed in Schedule 3B the doctor may so prescribe and supply only in certain circumstances. Provision is made for the doctor to issue a private prescription for any supply.

The regulations also make similar amendments to the terms of service for chemists so as to preclude the supply under pharmaceutical services of any drug listed in Schedule 3A and to limit the supply of a drug listed in Schedule 3B.

The regulations also revoke the General Medical and Pharmaceutical Services (Amendment) Regulations (Northern Ireland) 1976, the provisions of which are included in Regulation 4. The effect of those provisions is to enable a chemist to dispense drugs for up to a five-day course of treatment when a doctor or dentist has not set out the full prescription. In exceptional cases where the normal minimum packaging is not appropriate to a five-day course of treatment, the chemist is, however, permitted to supply the normal minimum package available.

Provision is made for the supply under pharmaceutical services before 1st May 1985 of any drug affected by these regulations and prescribed by a doctor before 1st April 1985 for such supply.
