EXPLANATORY NOTE

(This note is not part of the Order.)

Article 7(1)(*b*) and 2(*b*) of the Litter (Northern Ireland) Order 1994 places a duty on the Department of the Environment to ensure that any road, which is not a relevant road (as defined in Article 2(4) of that Order), is so far as is practicable kept clear of litter and clean.

This order designates the roads listed in the Schedule as roads which are not to be treated as a relevant road for the purpose of the duty imposed under Article 7(1) and (2) of the Litter (Northern Ireland) Order 1994, and thereby identifies the roads which the Department will be under the duty to keep clear of litter and clean.
