W. F. Wackrill,
Secretary to the National Health Insurance Joint Committee.

Small Societies Valuation Deficiencies Regulations (Northern Ireland), 1927.

MADE BY THE NATIONAL HEALTH INSURANCE JOINT COMMITTEE UNDER SECTION 76 (5) OF THE NATIONAL HEALTH INSURANCE ACT, 1924 (14 & 15 GEO. 5, C. 38).

1927. No. 66.

Whereas it is enacted by sub-section (5) of section 76 of the National Health Insurance Act, 1924, that the National Health

Insurance Joint Committee shall provide, in the case of societies which at the date as at which a valuation is made have not joined an association formed or recognised under that section and have less than one thousand members (which societies are in these regulations referred to as "small societies"), for applying pro rata to such extent, not exceeding one-half, as may be necessary, any balances of the Contingencies Funds of those societies not required for making good deficiencies in those societies towards making good pro rata the balances of the deficiencies remaining in the case of other such societies after the application of the Contingencies Funds of those societies in accordance with the provisions of the section :

And whereas a valuation of societies was made as on the 31st day of December, 1923, and in the case of small societies in Northern Ireland the balance of the Contingencies Funds of those societies is required for making good the deficiencies of other small societies to the extent hereinafter prescribed :

Now, therefore, the National Health Insurance Joint Committee in exercise of the powers conferred on them by sub-section (5) of section 76 of the National Health Insurance Act, 1924, and of all other powers enabling them in that behalf hereby make the following regulations :—

1 These regulations may be cited as the National Health Insurance (Small Societies Valuation Deficiencies) Regulations (Northern Ireland), 1927.

2 In connection with the valuation made as on the 31st day of December, 1923, there shall be debited to the funds of each small society in Northern Ireland having a balance of Contingencies Fund a proportion of the balance equivalent to £50 0s. 0d. per centum.

Given under the Official Seal of the National Health Insurance Joint Committee this 18th day of May, in the year One thousand nine hundred and twenty-seven.
