Modification of Enactments.

1933. No. 120.

BY THE LORDS JUSTICES IN THE PRIVY COUNCIL OF NORTHERN IRELAND.

(Signed) WILLIAM MOORE.
H. B. ARMSTRONG.

WHEREAS by section twenty of the Agricultural Marketing Act (Northern Ireland), 1933 (in this Order referred to as "the Northern Ireland Act"), it is provided, among other things, that in the event of any amendment being made, after the passing of the Northern Ireland Act, in the Bill for the United Kingdom Act (as in the Northern Ireland Act defined) with such effect as to render any provisions of the Northern Ireland Act inconsistent with the United Kingdom Act as passed, then in that event the Governor of Northern Ireland may, by Order in the Privy Council of Northern Ireland, modify the provisions of the Northern Ireland Act so far as may appear to the said Governor necessary for making those provisions consistent with the United Kingdom Act; and that any such Order in Council shall come into force upon the date specified therein in that behalf:

And whereas, after the passing of the Northern Ireland Act, amendments were made in the Bill for the United Kingdom Act with such effect as to render certain provisions, hereafter in this Order mentioned, of the Northern Ireland Act inconsistent with the United Kingdom Act as passed:

Now we, the Lords Justices for the government of Northern Ireland, by and with the advice of the Privy Council of Northern

Ireland, in pursuance and by virtue of the enactment hereinbefore mentioned and of all other powers enabling us in this behalf, do hereby order as follows :—

1. The following paragraph shall be inserted in sub-section (1) of section four of the Northern Ireland Act after paragraph (*b*) of that sub-section, that is to say :—

" (*b b*) for empowering the board to receive the whole or any part of any sums payable by purchasers of the regulated product in respect of sales of that product by registered producers, and for securing that any sums so received are distributed by the board to the sellers in such manner as may be specified in the scheme or prescribed by the board ; "

2. Paragraph (*f*) in sub-section (1) of section four of the Northern Ireland Act shall be modified to such extent as is necessary in order that the same may be read and have effect as follows :—

" (*f*) for the determination from time to time of the quantity of the regulated product, or of any description thereof, which may be sold by any producer, so, however, that the scheme shall either specify the method of determination or require the board to prescribe it, and, without prejudice to the generality of the foregoing provisions of this paragraph, the method of determination may be such as to secure that the quantity (if any) which any particular producer may sell is determined wholly or partly by reference to the quantity of that product or description, as the case may be, which was, in some past period, produced, sold or otherwise dealt with on particular land or premises or by particular persons ; "

3. The following sub-section shall be inserted in section six of the Northern Ireland Act after sub-section (2) of that section, that is to say :—

" (2A) A scheme may provide for securing that, for all or any of the purposes of the scheme and of this Act, the sale of any agricultural product wholly or partly manufactured or derived from the regulated product shall be deemed to be a sale of the regulated product if the substance of the transaction between the seller and the buyer is that the seller, being in possession of the regulated product, agrees to subject it, or cause it to be subjected, to some process and to sell the resulting product to the buyer ; and where, in the case of any such scheme as aforesaid, the regulated product is live stock of any kind, then, without prejudice to the foregoing provisions of this sub-section, the scheme may provide for securing that, for all or any of the purposes

aforesaid, a person shall be deemed to sell the regulated product if he sells the carcases of any live stock of that kind, being live stock produced by him in the area to which the scheme is applicable."

4. In sub-section (1) of section twenty-one of the Northern Ireland Act the definition of the expression "United Kingdom Act" shall be modified to such extent as is necessary in order that the same may be read and have effect as follows :—

"'United Kingdom Act' means any Act which may be passed in the present session of the Parliament of the United Kingdom to provide for the better organisation and development of the agricultural industry and of industries connected therewith by regulating the importation and sale of agricultural products and the production of secondary agricultural products, to amend the law with respect to the marketing of agricultural products, and to make further provision in connection with the matters aforesaid."

5. This Order may be cited as the Agricultural Marketing (Modification of Enactments) Order (Northern Ireland), 1933, and shall come into force upon the date hereof.

Given at the County Court House, Belfast, this 27th day of July, 1933.
