1938, No. 39.

Whereas it appears to the Minister of Labour for Northern Ireland that the terms and conditions of service of, and the nature of the work performed by, the classes of persons set out in the Schedule hereto, being persons employed in excepted employment, are so similar to the terms and conditions of service of, and the nature of the work performed by, classes of persons employed in insurable employment as to result in anomalies in the operation of the Act;

Now therefore the Ministry of Labour for Northern Ireland (hereinafter referred to as " the Ministry "), by virtue of the powers contained in Section 3 of the Unemployment Insurance Act (Northern Ireland), 1936 (hereinafter referred to as " the Act "), and of all other powers enabling it in that behalf, hereby with the consent of the Ministry of Finance for Northern Ireland, makes the following Regulations :—

Short Title and Commencement.

1.—(1) These Regulations may be cited as the Unemployment Insurance (Insurable Employments) Regulations (Northern Ireland), 1938, and shall come into force on the 4th April, 1938.

(2) The Interpretation Act, 1921, applies to the interpretation of these Regulations as it applies to the interpretation of an Act of Parliament.

Interpretation.

2.—(1) In these Regulations words importing the masculine gender include females and, unless the context otherwise requires, the following expressions have the meaning hereby respectively assigned to them, that is to say :—

" Business " includes the exercise and performance by a government department or a public or local authority of its powers and duties, the operations or activities of any association, club, company, institution, religious body, society or any similar body of persons and, in the case of any other employer, every occupation, profession or calling in which the employer may from time to time be engaged other than an occupation which has for its object the provision of what is necessary for the personal comfort, convenience, amusement or pleasure of the employer, his family or his friends;

" Educational Establishment " does not include an establishment which has for its sole object the giving of instruction or training of a specialised kind to persons desiring to enter or who have already entered any trade, business, profession or vocation, but save as aforesaid means any university, college, school or other similar establishment.

(2) Unless the context otherwise requires, any reference in these Regulations to the Unemployment Insurance Act (Northern Ireland), 1936, shall be construed as a reference to that Act as amended by any order or subsequent enactment.

3.—There shall be included among the classes of persons employed in insurable employment the classes of persons set out in the Schedule hereto when employed as therein set forth, so, however, that these Regulations shall not affect the operation of Part II of the First Schedule to the Act (other than paragraph 3 thereof) or of Part III of that Schedule or of any Regulations made under subsections (2) or (3) of section 3 of the Act. Classes of Persons employed in insurable employment.

Given under the Official Seal of the Ministry of Labour for Northern Ireland, this 15th day of March, nineteen hundred and thirty-eight.
