(Northern Ireland), 1938, and of any other power in that behalf enabling it, hereby makes the following Regulations, that is to say :—

*I. Short Title.*

These Regulations may be cited as the Milk and Milk Products (Registration of Premises) Regulations (Northern Ireland), 1939.

*II. Definitions.*

In these Regulations unless the context shall require a different construction :—

(1) The expression " Act " shall mean the Milk and Milk Products Act (Northern Ireland), 1938;

(2) The expression " the Ministry " shall mean the Ministry of Agriculture for Northern Ireland.

*III. Registration of Premises.*

(1) The following particulars shall be entered in the Register kept by the Ministry in pursuance of Section 2 of the Act :—

(*a*) the full name and address of the owner or occupier;

(*b*) the address and location of the premises;

(*c*) a description of the premises sufficient to identify them;

(*d*) the milk products for the manufacture of which the premises are registered.

(2) An application for the registration or the renewal of registration of any premises under the Act shall be made in the form or to the effect prescribed in the Schedule to these Regulations.

*IV. Conditions of Registration.*

1.—The premises shall be structurally suited for the purpose of the manufacture of milk products, and shall be situated in such a position and used in such a manner as to prevent the exposure of milk and all other materials and ingredients used in the process of manufacture of milk products to any noxious effluvium or to any other source of contamination.

2.—The machinery, equipment, and utensils shall be mechanically efficient, and all machinery and equipment shall be of such type and capacity, and arranged in such manner, as will enable the process of manufacture of milk products to be carried on efficiently and expeditiously.

3.—The premises, the immediate approaches thereto, and all machinery, equipment, and utensils therein shall be maintained in

a clean condition, and all fixed machines shall be so placed in relation to adjacent walls or other fixtures as will permit of the machines and the surroundings thereof being easily cleansed.

4.—All machinery and equipment with which milk comes in contact shall, after each day's operations, be washed, dismantled, and thoroughly scalded with steam.

5.—An adequate supply of good and wholesome water shall be available on or reasonably near the premises.

6.—All testing equipment shall be of the standard of accuracy required for the certificate of the National Physical Laboratory, Teddington, Middlesex.

7.—Subject to any special permission given by the Ministry, the owner or occupier of the premises shall not purchase milk produced in any area in Northern Ireland except such area as may from time to time be determined by the Ministry.

8.—The owner or occupier of the premises shall permit any duly authorised officer of the Ministry to enter the premises at all reasonable times and

(*a*) to inspect any machinery, equipment, or utensils found on those premises, or any process of manufacture used thereon, or any milk or milk product, or any containers or packing material, or any article capable of being used in the manufacture or adulteration of milk products which may be found thereon, and to take reasonable samples of any such milk, milk product, material or article for examination;

(*b*) to inspect the account books, vouchers, and other records kept by the owner or occupier of the premises and to take such extracts therefrom as he may deem necessary for the purpose of ensuring that these regulations are being complied with.

The owner or occupier of the premises shall afford such facilities and assistance at each such inspection as the said officer may require.

*V. Commencement.*

These Regulations shall come into operation on the date hereof.

*VI. General.*

The Ministry may from time to time rescind, amend, or vary these Regulations, or any of them, as occasion may require.

Sealed with the Official Seal of the Ministry of Agriculture for Northern Ireland this 10th day of March, 1939.
