The Ministry of Commerce, in exercise of the powers conferred upon it by section five of the Essential Buildings and Plant (Repair of War Damage) Act (Northern Ireland), 1939 (hereinafter referred to as " the Act "), hereby makes the following regulations :—

1.—These regulations shall apply to the registration of charges to secure loans in respect of damage to plant, being loans to which sub-section (5) of section four of the Act applies.

2.—Particulars of the charge, together with the instrument by which the charge is created or evidenced, shall be delivered to the Registrar who shall register the charge in the register of charges kept for the purpose of the Schedule to the Act, and shall return the instrument to the applicant after registration. Registration of the charge may be effected on the application of any person interested therein.

3.—The particulars of the charge shall be furnished to the Registrar in the form A. in the Schedule to these regulations or in a form as nearly in conformity therewith as the circumstances of the case will admit and shall be recorded by him in the register of charges kept for the purpose of the Schedule to the Act. The said register shall be in the form C. in the Schedule to these regulations.

4.—The Registrar shall give a certificate under his hand of the registration of any charge registered in pursuance of the Schedule to the Act, stating the amount thereby secured.

5.—When a charge has been fully paid off or otherwise extinguished, the parties to the charge or either of them may deliver to the Registrar a Memorandum of Satisfaction in the form B. in the Schedule to these regulations, and on the receipt of any such memorandum, verified in such manner as the Registrar may require, the Registrar shall note on the register of charges the satisfaction or release of the charge to which the memorandum relates.

6.—The register of charges shall be open to inspection by any person on payment of a fee of one shilling, and no additional fee shall be payable for the taking of a copy or extract of the entry of a charge from the said register by the person making the inspection.

7.—The Registrar may, upon the application of any person, cause a copy to be made of any entry in the register and may, upon the like application, by writing under his hand, certify any such copy to be a true copy of such entry. The Registrar may for each such copy charge, in addition to the inspection fee of one shilling, the sum of sixpence per folio of seventy-two words of copying and, where the copy is certified to be a true copy, the appropriate stamp duty. The said fees shall be collected in the manner directed by the Ministry of Finance in the Order subjoined to these Regulations.
