SCHEDULE

Regulation 2

Description of disease or injury	Nature of Occupation
38. Tuberculosis	Any occupation involving close and frequent contact with a source or sources of tuberculous infection by reason of employment — (*a*) in the medical treatment or nursing of a person or persons suffering from tuberculosis, or in a service ancillary to such treatment or nursing; (*b*) in attendance upon a person or persons suffering from tuberculosis, where the need for such attendance arises by reason of physical or mental infirmity; (*c*) as a research worker engaged in research in connection with tuberculosis; (*d*) as a laboratory worker, pathologist or post mortem worker, where the occupation involves working with material which is a source of tuberculous infection, or in an occupation ancillary to such employment.

POISONS

ORDER IN COUNCIL, DATED 26TH FEBRUARY, 1951, APPROVING A RESOLUTION PASSED BY THE COUNCIL OF THE PHARMACEUTICAL SOCIETY OF NORTHERN IRELAND AND THE MEDICAL FACULTY OF THE QUEEN'S UNIVERSITY OF BELFAST, AMENDING THE THIRD SCHEDULE TO THE MEDICINES, PHARMACY AND POISONS ACT (NORTHERN IRELAND), 1945.

1951. No. 34

BY THE LORDS JUSTICES IN THE PRIVY COUNCIL OF NORTHERN IRELAND

KILMOREY

A. B. BABINGTON

WHEREAS by sub-section (2) of section twenty-six of the Medicines, Pharmacy and Poisons Act (Northern Ireland), 1945, it is provided that the Council of the Pharmaceutical Society of Northern Ireland and the Medical Faculty of the Queen's University, Belfast, may from time to time, by a resolution passed by both of these bodies, declare that the Third Schedule to the said Act ought to be amended by including in, or removing from, any part thereof any substance specified in the resolution, or by transferring any substance so specified from one part of the said Schedule to another part :

AND WHEREAS the said Third Schedule has in accordance with the provisions of the said section twenty-six heretofore been amended by Orders in Council made respectively on the 24th day of October, 1947, the 25th day of April, 1949, and the 12th day of January, 1950 :

AND WHEREAS the said Council and the said Medical Faculty, by virtue of and in exercise of the powers vested in them by the said sub-section (2) of section twenty-six of the Act, did, on the 19th day of May, 1950, and on the 26th day of October, 1950, respectively, resolve and declare that the Third Schedule to the Act ought to be further amended as follows :—

In Part I of the Third Schedule to the Act —

(1) After the word " Allylisopropylacetylurea " there shall be inserted the words " Alphaprodine ; its salts ".

(2) For the words " Amidone (*Dl*-2-dimethylamino-4 : 4-diphenylheptane-5-one) ; its salts " there shall be substituted the words " Amidone ; its salts ".

(3) After the words " Amyl nitrite " there shall be inserted the following item, that is to say :—

" Anti-histamine substances, the following ; their salts :—

Antazoline
Diphenhydramine
3-Di-*n*-butylaminomethyl-4 : 5 : 6-trihydroxyphthalide
Phenindamine
Substances being tetra-substituted N derivatives of ethylenediamine or propylenediamine ".

(4) After the item commencing with the word " Beta-amino-propylbenzene " there shall be inserted the words " Beta-prodine ; its salts ".

(5) After the item commencing with the words " Digitalis, glycosides of " there shall be inserted the words " Di-isopropyl fluorophosphonate ".

(6) After the words " hydrofluoric acid " there shall be inserted the words " hydroxypethidine ; its salts ".

(7) After the word " Insulin " there shall be inserted the words " Isoamidone ; its salts, Ketobemidone ; its salts ".

(8) After the item commencing with the word " Metanitrophen-ol " there shall be inserted the words—" Methadol ; its salts, Methadyl acetate ; its salts ".

(9) The words " 6-morpholine-4 : 4-diphenylheptane-3-one ; its salts " shall be omitted, and after the words " Pethidine ; its salts " there shall be inserted the words " Phenadoxone ; its salts ".

(10) After the words " Pituitary gland, the active principles of " there shall be inserted the words " Polymethylenebistri-methylammonium salts ".

AND WHEREAS the above resolution has been submitted by the Minister of Home Affairs for the approval of the Governor in the Privy Council of Northern Ireland in accordance with the provisions of sub-section (3) of the said section twenty-six of the said Act, and whereas it is expedient

that the said resolution should be approved as required by the said sub-section (3) :

NOW, THEREFORE, WE, THE LORDS JUSTICES for the Government of Northern Ireland, by and with the consent of the Privy Council, in exercise of the powers conferred by the said sub-section (3) and of all other powers enabling us in that behalf, do hereby approve of the said resolution, and accordingly the Third Schedule (The Poisons Schedule) to the Medicines, Pharmacy and Poisons Act (Northern Ireland), 1945, shall be as set out in the Schedule hereto.

Given at the Royal Courts of Justice, Belfast, this twenty-sixth day of February, 1951.

J. M. Sinclair
Brian Maginess
Ivan Neill.

SCHEDULE

PART I

Acetanilide ; alkyl acetanilides
Alkali fluorides other than those specified in Part II of this Schedule.
Alkaloids, the following ; their salts, simple or complex :—
- Acetyldihydrocodeinone ; its esters
- Aconite, alkaloids of
- Apomorphine
- Atropine
- Belladonna, alkaloids of
- Benzoylmorphine
- Benzylmorphine
- Brucine
- Calabar bean, alkaloids of
- Coca, alkaloids of
- Cocaine
- Codeine
- Colchicine
- Coniine
- Cotarnine
- Curare, alkaloids of
- Curare bases
- Diacetylmorphine
- Dihydrocodeinone ; its esters
- Dihydrodesoxymorphine
- Dihydrohydroxycodeinone ; its esters
- Dihydromorphine ; its esters
- Dihydromorphinone ; its esters
- Ecgonine ; its esters
- Emetine
- Ephedra, alkaloids of
- Ergot, alkaloids of
- Ethylmorphine
- Gelsemium, alkaloids of
- Homatropine
- Hyoscine
- Hyoscyamine
- Jaborandi, alkaloids of
- Lobelia, alkaloids of
- Morphine
- Papaverine

Pomegranate, alkaloids of
Quebracho, alkaloids of, other than the alkaloids of red quebracho.
Sabadilla, alkaloids of
Solanaceous alkaloids not otherwise included in this Schedule.
Stavesacre, alkaloids of
Strychnine
Thebaine
Veratrum, alkaloids of
Yohimba, alkaloids of

Allylisopropylacetylurea
Alphaprodine ; its salts
Amidone ; its salts
Amidopyrine ; its salts
Amino-alcohols, esterified with benzoic acid, phenylacetic acid, phenylpropionic acid, cinnamic acid or the derivatives of these acids.
Amyl nitrite
Anti-histamine substances, the following ; their salts :—

Antazoline
Diphenhydramine
3-Di-*n*-butylaminomethyl-4 : 5 : 6-trihydroxyphthalide
Phenindamine
Substances being tetra-substituted N derivatives of ethylenediamine or propylenediamine.

Antimony, chlorides of ; oxides of antimony ; sulphides of antimony ; antimonates ; antimonites ; organic compounds of antimony.
Apiol and Oil of Parsley
Arsenical substances, the following except those specified in Part II of this Schedule :— arsenic, halides of ; oxides of arsenic ; arsenates ; arsenites ; organic compounds of arsenic.
Barbituric acid ; its salts ; derivatives of barbituric acid ; their salts ; compounds of barbituric acid ; its salts, its derivatives, their salts, with any other substance.
Barium, salts of, other than barium sulphate
Beta-aminopropylbenzene ; its salts ; its N-alkyl derivatives ; their salts ; beta-amino*iso*propyl benzene ; its salts ; its N-alkyl derivatives ; their salts.
Betaprodine ; its salts
Butyl chloral hydrate
Cannabis (the dried flowering or fruiting tops of *Cannabis sativa* Linn) ; the resin of cannabis ; extracts of cannabis ; tinctures of cannabis ; cannabin tannate.
Cantharidin ; cantharidates
Carbachol
Chloral formamide
Chloral hydrate
Chloroform
Creosote obtained from wood
Croton, oil of
Digitalis, glycosides of ; other active principles of digitalis.
Di-isopropyl fluorophosphonate.
Dinitronaphthols ; dinitrophenols ; dinitrothymols.
Elaterin
Ergot (the sclerotia of any species of *Claviceps*) ; extracts of ergot ; tinctures of ergot.
Erythrityl tetranitrate
Glyceryl trinitrate
Guanidines, the following :—Polymethylene diguanidines, dipara-anisylphenetyl guanidine.
Hydrocyanic acid ; cyanides ; double cyanides of mercury and zinc.
Hydrofluoric acid
Hydroxypethidine ; its salts
Insulin
Isoamidone ; its salts
Ketobemidone ; its salts
Lead acetates ; compounds of lead with acids from fixed oils
Mannityl hexanitrate
Mercury, oxides of ; nitrates of mercury ; mercuric ammonium chlorides ; mercuric chloride ; mercuric iodides ; potassio-mercuric iodides ; mercuric oxycyanides ; mercuric thiocyanate.
Metanitrophenol ; orthonitrophenol ; paranitrophenol.

Methadol ; its salts
Methadyl acetate ; its salts
Metopon (methyldihydromorphinone) ; its salts
Nux Vomica
Oestrogenic substances, natural and artificial
Opium
Orthocaine ; its salts
Ouabain
Oxalic acid ; its salts
Oxycinchoninic acid, derivatives of ; their salts ; their esters
Para-aminobenzenesulphonamide ; its salts ; derivatives of para-aminobenzenesulphonamide having any of the hydrogen atoms of the para-amino group or of the sulphonamide group substituted by another radical ; their salts.
Para-amino-benzoic acid ; esters of ; their salts
Pennyroyal and its oil
Pethidine ; its salts
Phenadoxone ; its salts
Phenetidylphenacetin
Phenols (any member of the series of phenols of which the first member is phenol and of which the molecular composition varies from member to member by one atom of carbon and two atoms of hydrogen) except in substances containing less than sixty per cent., weight in weight, of phenols ; compounds of phenol with a metal, except in substances containing less than the equivalent of sixty per cent., weight in weight, of phenols.
Phenylcinchoninic acid ; salicylcinchoninic acid ; their salts ; their esters
Phenylethylhydantoin ; its salts ; its acyl derivatives ; their salts ; diphenylhydantoin ; its salts, its acyl derivatives ; their salts.
Phosphorus, yellow
Picric acid
Picrotoxin
Pituitary gland, the active principles of
Polymethylenebistrimethylammonium salts
Savin, oil of
Sodium monofluoracetate
Strophanthus ; glycosides of strophanthus
Sulphonal ; alkyl sulphonals
Suprarenal gland, the active principles of ; their salts
Thallium, salts of
2-Thiouracil ; its alkyl derivatives
Thiourea ; its salts
Thyroid gland, the active principles of ; their salts
Tribromethyl alcohol
Tridione (3 : 5 : 5-trimethyloxazolidine-2 : 4-dione)

PART II

Arsenical substances, the following :—

Arsenic sulphides
Arsenious oxide
Calcium arsenates
Calcium arsenites
Copper acetoarsenites
Copper arsenates
Copper arsenites
Lead arsenates
Potassium arsenites
Sodium arsenates
Sodium arsenites
Sodium thioarsenates

Dinitrocresols
Formaldehyde
Mercury ; organic compounds of
Nicotine ; its salts
Nitrobenzene

Phenols as defined in Part I of this Schedule in substances containing less than sixty per cent., weight in weight, of phenols; compounds of phenol with a metal in substances containing less than the equivalent of sixty per cent., weight in weight, of phenols.

Phosphorus compounds, the following :—

Bis-dimethylaminophosphonous anhydride
Diethylparanitrophenyl thiophosphate
Hexaethyl tetraphosphate
Tetraethyl pyrophosphate

Potassium fluoride
Sodium fluoride
Sodium silicofluoride
Zinc-phosphide

PART III

Ammonia
Hydrochloric acid
Nitric acid
Phenylene diamines ; toluene diamines ; other alkylated benzene diamines ; their salts.
Potassium hydroxide
Sodium hydroxide
Sulphuric acid

REGULATIONS, DATED 21ST MARCH, 1951, MADE BY THE MINISTER OF HOME AFFAIRS UNDER SECTIONS THIRTY AND THIRTY-TWO OF THE MEDICINES, PHARMACY AND POISONS ACT (NORTHERN IRELAND), 1945.

1951. No. 41

I, THE RIGHT HONOURABLE BRIAN MAGINESS, K.C., Minister of Home Affairs for Northern Ireland, in pursuance of sections thirty and thirty-two of the Medicines, Pharmacy and Poisons Act (Northern Ireland), 1945, (hereinafter referred to as " the Act ") do hereby make the following Regulations :—

1.—(1) In Regulation 5 of the Poisons Regulations (Northern Ireland), 1946, (hereinafter referred to as " the Principal Regulations "), in sub-paragraph (*a*) of paragraph (3) (which, in the case of certain sales of poisons included in the First Schedule to the Principal Regulations, provides that the requirement as to the signing of an entry in a book kept by the seller shall not apply if the seller obtains before the sale an order signed by the purchaser stating, amongst other things, the name and quantity of the article to be purchased and the purpose for which it is required), for the words " the name and quantity of the article to be purchased and the purpose for which it is required " there shall be substituted the words " and the following particulars in regard to the article to be purchased, that is to say, its name, the purpose for which it is required and the total quantity to be purchased, or, in the case of an article packed in ampoules, either the said total quantity or the total quantity intended to be administered or injected ".

(2) In Regulation 10 of the Principal Regulations, for sub-paragraph (*e*) of paragraph (3) (which provides that the prescription on which the poisons included in the Fourth Schedule to the Principal Regulations may be sold shall, amongst other requirements, indicate
