In determining whether any piece rate satisfies the foregoing condition regard shall be had only to the earnings of workers of ordinary skill and experience in the class of work in question and not to the earnings of workers of less than ordinary skill and experience.

OVERTIME

Paragraph 12.

Overtime rates shall be payable as follows:—

A. FEMALE WORKERS EMPLOYED ON TIME WORK:—

(1) On any day other than Saturday (or another day of the week (other than Sunday) substituted therefor), Sunday or a customary holiday—

For the first two hours worked in excess of 9 hours ... ... TIME-AND-A-QUARTER
Thereafter ... ... TIME-AND-A-HALF

(2) On a Saturday (or another day of the week (other than Sunday) substituted therefor), not being a customary holiday—

For all time worked in excess of 4 hours TIME-AND-A-HALF

For all time worked in excess of 44 hours TIME-AND-A-QUARTER except in so far as higher overtime rates may be payable under the provisions of sub-paragraphs A (1), (2) and (3) of this paragraph.

Provided that, where it is the established practice of an employer to require attendance on Saturday in alternate weeks only, the overtime rate shall be payable in the week in which attendance on Saturday is required only after 46 hours have been worked.

(5) Where it is the established practice of an employer to require attendance on Sunday instead of Saturday, the overtime rates as set out in this paragraph shall apply to workers in like manner as if the word "Saturday" were substituted for "Sunday" and the word "Sunday" for "Saturday."

B. FEMALE WORKERS EMPLOYED ON PIECE WORK:—

Female workers employed on piece work shall be entitled to receive in respect of each hour of overtime worked in addition to piece rates each of which would yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate applicable

an amount equivalent to ONE-QUARTER, ONE-HALF, or THE WHOLE of the appropriate piece work basis time rate,

according as the overtime rate payable under the provisions of sub-paragraph A of this paragraph, if the worker had been employed on time work, would have been equivalent to time-and-a-quarter, time-and-a-half, or double time, respectively.

Paragraph 13.

Overtime rates shall be payable in respect of all overtime worked on any day, notwithstanding that the total number of hours worked in the week does not exceed 44.

Paragraph 14.

The expression "customary holiday" means—

(*a*) Christmas Day (or, if Christmas Day falls on a Sunday, such other week day as may be appointed by national proclamation or, if none is so appointed, the next following Tuesday), Boxing Day, Easter Monday, Easter Tuesday, and two other days (being days on which the worker normally works) in the course of a calendar year to be fixed by the employer and notified to the worker not less than three weeks before the holiday;

or (*b*) a day substituted by the employer for any one of the said days, being a day recognised by local custom as a day of holiday in substitution for the said day.

Paragraph 15.

For the purpose of paragraph 12, the expressions time-and-a-quarter, time-and-a-half, and double time mean, respectively, one-and-a-quarter times, one-and-a-half times, and twice the amount of the minimum rate otherwise applicable.

GENERAL

DEFINITIONS.

For the purpose of the application of the statutory minimum remuneration set out in this Schedule the following definitions shall apply:—

Provided that the certification or registration of a female learner shall become invalid if at any time during learnership the provisions set out in this Schedule relating thereto are not complied with.

Provided also that an employer may employ a female learner on her first employment in the trade without a certificate or registration for a probation period not exceeding four weeks, but in the event of such learner being continued thereafter at her employment the probation period shall be included in her period of learnership.

Provided further that notwithstanding compliance with the conditions contained herein, a person shall not be deemed to be a learner if she works in a room used for dwelling purposes and is not in the employment of her parent or guardian.

Paragraph 18.

An OUT-WORKER is a worker who works in her own home or any other place not under the control or management of the employer.

Paragraph 19.

The minimum remuneration set out under the respective Areas A, B and C shall apply as follows:—

Area A—To workers employed within the areas of the County of the Cities of Belfast and Londonderry.

An employer shall, in any case where any such worker is so employed at any time subsequent to the first six months of her employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has, in respect of her employment on piece work, been paid at piece rates which would yield, in the circumstances of the case, to an ordinary worker (not being a juvenile worker) at least the same amount of money as the appropriate piece work basis time rate.

WAITING TIME

Paragraph 23.

(1) A worker shall be entitled to payment of statutory minimum remuneration as aforesaid during all the time during which she is present on the premises of her employer unless she is so present either without her employer's consent, express or implied, or for some purpose unconnected with her work and other than that of waiting for work to be given to her to perform.

(2) A piece worker shall during any time during which she is present as aforesaid and is not doing piece work be entitled to payment of the general minimum time rate applicable to the workers of the class to which she belongs.
