(2) The Factories (Fees of Examining Surgeons) Order (Northern Ireland), 1947(a), is hereby revoked.

Interpretation

2.—(1) For the purposes of this Order, unless the context otherwise requires, the following expressions have the meanings hereby assigned to them respectively, that is to say:—

" the principal Act " means the Factories Act (Northern Ireland), 1938(b), as amended by or under any other Act;

" section " means section of the principal Act.

(2) The fees specified in article 3 of this Order do not cover any special examinations of the blood, microscopical examinations of urine, x-ray examinations, serological test, or other special investigations undertaken in connection with examinations of employed persons on particular occasions or in particular instances, and this Order shall be without prejudice to the making of arrangements between the appointed factory doctor and the occupier of a factory for the carrying out of such special investigations.

Fees of appointed factory doctors

3.—(1) The Ministry hereby determines that, subject to any agreement between the appointed factory doctor and the occupier of a factory, the fees payable by occupiers of factories to appointed factory doctors in respect of such of their duties under the principal Act as are specified in paragraphs (2) and (3) of this article shall be of the amounts respectively so specified.

(2) For examinations of young persons under subsection (4) of section 87 or under section 103, or after the service by the Ministry on the occupier of a notice under section 104 as to the employment of a young person in a factory, including the issue or refusal of certificates of fitness and the issue of provisional certificates under subsection (2) of section 103, the fees shall be as follows, that is to say:—

(*a*) when the examination is at the factory—ten shillings and six pence for the first and six shillings for each other person examined on the occasion of any one visit to the factory, and in addition, if the distance (measured by the shortest route by which the appointed factory doctor can travel by road) between the appointed factory doctor's central point and the factory exceeds two miles, two shillings for each complete mile by which that distance exceeds two miles;

(*b*) when the examination is not at the factory but at the residence of the appointed factory doctor or at some other place appointed by him for the purpose and

EXPLANATORY NOTE

(*This Note is not part of the Order, but is intended to indicate its general purport.*)

This Order determines scales of fees payable by occupiers of factories to appointed factory doctors for various services required under the Factories Act (Northern Ireland), 1938. It provides for higher fees than a similar Order of 1947 which it replaces. The scales of fees determined by this Order can be varied by agreement between the appointed factory doctor and the occupier of a factory.
