EXPLANATORY NOTE

*(This Note is not part of the Regulations, but is intended to indicate their general purport.)*

These Regulations supersede the Motor Vehicles (International Circulation) (Registration and Licensing) (Northern Ireland) Regulations 1957.

Regulation 1 and the Schedule relate to the particulars to be provided to registration authorities as defined in Regulation 7, if exemption from excise duty under the Motor Vehicles (International Circulation) (Registration and Licensing) (Northern Ireland) Orders 1955 and 1962 is to be secured.

Regulation 2 provides for the assignment by registration authorities of special registration marks to motor vehicles which are granted exemption from excise duty and for the exhibition of these marks on vehicles, and requires that certain vehicles to which are assigned their foreign registration marks must carry in addition nationality signs indicating the country in which the vehicles are registered.

Regulation 3 provides for the issue in certain cases of registration cards for motor vehicles by registration authorities and for the surrender and disposal of registration cards in specified circumstances.

Regulation 4 permits a Council as defined in Regulation 7 to issue a licence under the Vehicles (Excise) Act (Northern Ireland) 1954 for a vehicle brought temporarily into Northern Ireland notwithstanding that they are not the appropriate Council for this purpose under the Road Vehicles (Registration and Licensing) (Northern Ireland) Regulations 1947, and makes special provision as to the registration mark assigned to, and carried on, such a vehicle when licensed under the Act, and the period of validity of the registration mark so assigned.

Regulation 5 requires registration authorities to record particulars relating to exempted vehicles, particulars relating to the persons who brought the vehicles into Northern Ireland and particulars relating to motor insurance unless all these particulars have already been recorded in Great Britain and requires registration authorities to forward the particulars to the London County Council.

Regulation 6 preserves the arrangements made under the Motor Car (Irish Circulation) (Northern Ireland) Regulations 1925 with regard to exemption from excise duty in the case of vehicles temporarily imported from the Republic of Ireland.

*Reckoning of service*

**4.** If, in the case of a person to whom this part applies, the Ministry of Finance receives, out of the fund of the authority under whom he last served in a designated employment before he became a civil servant a transfer value, calculated in accordance with tables approved by the Ministry of Finance, in respect of such of his service as was reckonable for pension purposes immediately before he ceased to serve in a designated employment, that service shall be reckoned for the purposes of the Superannuation Acts as service in the capacity of a civil servant.

## PART III

### TRANSFERS FROM THE CIVIL SERVICE TO DESIGNATED EMPLOYMENTS

*Application*

**5.**—(1) This part shall apply to any person who—

(*a*) has become employed in a designated employment within one month after ceasing to be employed as a civil servant; and

(ii) he is in pensionable employment on the coming into operation of these rules and the Ministry of Finance is satisfied that under the pension scheme to which he is subject by virtue of that employment he will be entitled to reckon as service for the purposes of that scheme such of his service as is specified in the next following rule.

*Payment of Transfer Value*

**6.** If, in the case of a person to whom this part applies, the Ministry of Finance is satisfied that such of his service as was, immediately before he ceased to be employed as a civil servant, reckonable for the purposes of the Superannuation Acts as service in the capacity of a civil servant will be taken into account for the purpose of calculating the transfer value to be paid in respect of his service by the authority under whom he has served in a designated employment, the Ministry of Finance may pay to that authority a transfer value, calculated in accordance with tables approved by the Ministry of Finance, in respect of such of his service as was reckonable as aforesaid.

EXPLANATORY NOTE

(*This note is not part of the rules but is intended to indicate their general purport.*)

Hitherto, if an officer transferred from an established post in the Civil Service to employment of the kind mentioned in the schedule to these rules (or vice versa) and thereafter transferred to certain other pensionable employment, it has not been possible fully to preserve his pension rights in respect

of the first of these employments. The effect of these rules is to secure that, subject to the conditions laid down in the rules, it will be possible to aggregate and make a single superannuation award in respect of his service throughout.

Under the powers of sections 5 and 6 of the Superannuation (Miscellaneous Provisions) Act (Northern Ireland) 1951, the rules apply, subject to certain conditions, to persons who have transferred between the Civil Service and the employments mentioned since 1st April 1950.
