EXPLANATORY NOTE

(This Note is not part of the regulations, but is intended to indicate their general purport.)

These regulations, which are made under the Agriculture (Poisonous Substances) Act (Northern Ireland) 1954, consolidate the Agriculture (Poisonous Substances) Regulations (Northern Ireland) 1958 to 1962, with minor amendments. Workers to whom these regulations apply may not, and their employers may not cause or permit them to, carry out certain operations with specified poisonous substances unless the prescribed safety measures, including the wearing of protective clothing, are observed.

Apart from alterations in the names for certain substances and minor drafting amendments, the only substantive changes are the addition of four further organo-phosphorus compounds, disulfoton, phorate, dichlorvos and vamidothion and (for the avoidance of doubt) the salts of dinoseb and D.N.O.C., to the list of poisonous substances.
