EXPLANATORY NOTE

(This note is not part of the Regulations but is intended to indicate their general purport.)

These Regulations amend the Ulster Special Constabulary Pensions Regulations 1950, mainly, in consequence of the National Insurance &c. Act (Northern Ireland) 1964, those provisions relating to widows' and children's allowances.

Regulations 4, 5 and 6 raise the amount by which widows' pensions may be increased in those cases in which discretionary increases are permitted. Regulations 9 and 10 make similar provision in relation to children's allowances.

Regulation 8 adjusts the extent of the abatement of a widow's pension by a widowed mother's National Insurance allowance.

Regulation 12 enables a full-time member to receive a gratuity whether or not he may be entitled to a supplemental pension.

Regulation 13 provides that where a member who becomes entitled to a supplemental pension is also entitled to a gratuity the annuity equivalent of the gratuity will be taken into account in determining the rate of the supplemental pension.

Regulation 14 enables a demobilised member to be awarded a gratuity, whether or not he may be entitled to a supplemental pension.

Regulation 15 enables the equivalent of a gratuity to be paid, on the death of a mobilised member, to a dependent relative.

Regulation 18 effects minor variations in the definition of pensionable pay.
