The Ministry of Education (hereinafter referred to as "the Ministry") in exercise of the powers conferred on it by Section 103 of the National Insurance Act (Northern Ireland) 1966(**a**), Section 23 of the Teachers (Superannuation) Act (Northern Ireland) 1950(**b**), the Ministries (Transfer of Functions) (Teachers Superannuation) Order 1951(**c**), Section 25 of the Teachers (Superannuation) (Amendment) Act (Northern Ireland) 1956(**d**), and of all other powers enabling it in that behalf and with the approval of the Ministry of Finance hereby makes the following Regulations:

EXPLANATORY NOTE

(This note is not part of the Regulations but is intended to indicate their general purport.)

These Amending Regulations are consequential upon the passing of the National Insurance (No. 2) Act (Northern Ireland) 1966, by which the payment of graduated contributions is required in respect of persons who are in non-participating employment for the purposes of the National Insurance Acts. Without this amendment the pension contributions and annual superannuation allowances of teachers in non-participating employment would be modified under the terms of the amended principal Regulations.

The Ministry of Finance (hereinafter referred to as "the Ministry"), in exercise of the powers conferred on it by section 3(2)(*a*) of the Pensions (Increase) Act (Northern Ireland) 1966(**a**) and of all other powers enabling it in that behalf, hereby makes the following Regulations:—

1. These Regulations may be cited as the Federated Superannuation System for Universities (Pensions Increase) Regulations (Northern Ireland) 1966 and shall come into operation on 1st November 1966.

Interpretation

2. In these Regulations—

"accumulated contributions" means, in relation to any person, the total sum which would have accumulated at the date of his retirement if, in respect of each year of the period of his F.S.S.U. service and any uncompleted part of a year at the end of such period, a sum equal to fifteen per cent. of the annual rate of the salary to which he was entitled at the beginning of such year (or in the case of any such uncompleted part of a year, fifteen per cent. of a proportionate part of such annual rate) had been accumulated with compound interest at three per cent. per annum calculated with yearly rests from the beginning of such year or uncompleted part of a year as aforesaid until the date of his retirement;

"adjusted rate", in relation to a person's notional annuity, means the aggregate of that annuity and the annual rate of any allowances for which he is eligible under the Federated Superannuation System for Universities (Pensions Increase) Regulations (Northern Ireland) 1965(**b**),
