Imposition of the Levy

2. The levy to be imposed by the Board on employers in respect of the first levy period shall be assessed and paid in accordance with the provisions of this Order.

Assessment of the Levy

3.—(1) The levy shall be assessed by the Board separately in respect of each man-made fibres producing establishment of an employer, but in agreement with the employer one assessment may be made in respect of any number of such establishments, in which case those establishments shall be deemed for the purposes of that assessment to constitute one establishment.

(2) Subject to the provisions of this Article, the amount of the levy assessed in respect of a man-made fibres producing establishment of an employer shall be an amount equal to 0·05 per centum of the sum of the emoluments of all persons employed or deemed to have been employed under the provisions of paragraph (3) by that employer at or from that establishment.

(3) Where a man-made fibres producing establishment is taken over (whether directly or indirectly) by an employer in succession to, or jointly with, another person, a person employed at or from the establishment at any time in the first base period shall be deemed, for the purposes of this Article, to have been so employed by the employer carrying on the said establishment on the day upon which this Order comes into operation.

(4) For the purposes of this Article no regard shall be had to the emoluments of any person engaged wholly in the supply of food or drink for immediate consumption.

Assessment Notice

4.—(1) The Board shall serve an assessment notice on every employer assessed to the levy, but one notice may comprise two or more assessments.

(2) The amount payable under an assessment notice shall be rounded down to the nearest £1.

(3) An assessment notice may be served on an employer either by delivering it to him personally or by leaving it, or sending it to him by post, at his last known address or place of business in the United Kingdom or, if the employer is a company, at the company's such address or place of business.

Payment of the Levy

5.—(1) Subject to the provisions of this Article and Articles 6 and 7, the amount of each assessment appearing in an assessment notice served by the Board shall be payable to the Board in two equal instalments, of which the first such instalment shall be due one month after the date of the notice and the other after four further months.

(2) An instalment of an assessment shall not be recoverable by the Board until any time allowed for appealing against the assessment has expired or, where an appeal is brought, until the appeal is decided or withdrawn.

Review of Assessment

6.—(1) The Board may, by notice served on the employer, withdraw an assessment if that employer has appealed against that assessment under the

provisions of Article 7 and the appeal has not been entered in the Register of Appeals kept under the regulations specified in Article 7(4).

(2) The withdrawal of an assessment shall be without prejudice to the power of the Board to serve a further assessment notice in respect of any establishment to which the assessment related.

Appeals

7.—(1) An employer may appeal to an appeal tribunal against an assessment within one month from the date of the service of the assessment notice or within any further period or periods of time that may be allowed by the Board or an appeal tribunal under paragraphs (2) and (3).

(2) The Board for good cause may, by notice, extend the time within which an appeal may be made by such further period or periods as the Board may allow in any case where an application for such extension is made within the period of four months from the date of the service of the relevant notice of assessment or, where an extension has already been granted, before the period of such extension has expired.

(3) If the Board shall not allow an application for extension of time for appealing an appeal tribunal may, upon application to the tribunal by the employer within the period of 14 days from the date of receipt of the decision of the Board refusing such an application, extend the period within which an appeal may be made by such further period as the tribunal may allow.

(4) An appeal or an application to an appeal tribunal under this Article shall be made in accordance with the Industrial Tribunals Regulations (Northern Ireland) 1965(**d**).

(5) The powers of an appeal tribunal under paragraph (3) may be exercised by the President of the Industrial Tribunals.

Evidence

8.—(1) Upon the discharge by an employer of his liability under an assessment the Board shall if so requested issue to him a certificate in writing to the effect that he has done so.

(2) The production in any proceedings of a document purporting to be certified by the Secretary of the Board to be a true copy of an assessment or other notice issued by the Board or of a certificate such as is mentioned in paragraph (1) shall, unless the contrary is proved, be sufficient evidence of the document and of the facts stated therein.
