GEORGII IV. REGIS.

CAP. XXX.

An Act for further improving the Roads between *London* and *Holyhead*, by *Coventry*, *Birmingham*, and *Shrewsbury*. [28th *May* 1821.]

WHEREAS an Act was passed in the Fifty-fifth Year of the Reign of His late Majesty King *George* the Third, intituled *An Act for granting to His Majesty the Sum of Twenty thousand Pounds, to be issued and applied towards repairing Roads between* London *and* Holyhead *by* Chester, *and between* London *and* Bangor *by* Shrewsbury: And whereas an Act was passed in the Fifty-sixth Year of the Reign of His said late Majesty, intituled *An Act for granting to His Majesty a certain Sum out of the Consolidated Fund of* Great Britain, *and for applying certain Monies therein mentioned, for the Service of the Year One thousand eight hundred and sixteen, and for further appropriating the Supplies granted in this present Session of Parliament:* And whereas an Act was passed in the Fifty-seventh Year of the Reign of His said late Majesty, intituled *An Act for applying certain Monies therein mentioned, for the Service of the Year One thousand eight hundred and seventeen, and for further appropriating the Supplies granted in this Session of Parliament:* And whereas an Act was passed in the Fifty-eighth Year of the Reign of His said late Majesty, intituled *An Act for applying certain Monies therein* 55G.3.c.152. 56G.3.c.142. 57G.3.c.132. 58G.3.c.101.

therein mentioned, for the Service of the Year One thousand eight hundred and eighteen: And whereas an Act was passed in the Fifty-ninth
59 G. 3. c. 48. Year of the Reign of His said late Majesty, intituled *An Act to amend an Act passed in the Fifty-fifth Year of the Reign of His present Majesty, for granting to His Majesty the Sum of Twenty thousand Pounds towards repairing Roads between* London *and* Holyhead *by* Chester, *and between* London *and* Bangor *by* Shrewsbury, *and for giving additional Powers to the Commissioners therein named, to build a Bridge over the* Menai Straits, *and to make a new Road from* Bangor Ferry *to* Holyhead; And whereas another Act was passed in the Fifty-ninth
59 G. 3. c. 133. Year of the Reign of His said late Majesty, intituled *An Act for applying certain Monies therein mentioned, for the Service of the Year One thousand eight hundred and nineteen, and for further appropriating the Supplies granted in this Session of Parliament:* And whereas an Act was passed in the First Year of the Reign of His present Majesty
1 G. 4. c. 111. King *George* the Fourth, intituled *An Act for applying certain Monies therein mentioned, for the Service of the Year One thousand eight hundred and twenty, and for further appropriating the Supplies granted in this Session of Parliament:* And whereas by the said several recited Acts certain Sums of Money were respectively granted and directed to be issued and applied towards repairing the said Roads in the said first recited Act mentioned, and the Commissioners under the same Act have proceeded in the Execution thereof, and have expended several Sums of Money in making several new Deviations along the Road from *Chirk*, in the County of *Denbigh*, on the Boundaries of *North Wales*, to *Bangor*, and in otherwise amending and improving the same: And whereas an Act was passed in the First Year of the Reign
1 G. 4. c. 70. of His present Majesty King *George* the Fourth, intituled *An Act for improving the Roads between* London *and* Chirk, *in the County of* Denbigh, *by* Coventry, Birmingham *and* Shrewsbury: And whereas the several Roads in the said first and last recited Acts mentioned form Part of the Principal Roads of Communication between *London* and *Holyhead*, and are the Roads by which the Intercourse between *Great Britain* and *Ireland* is generally carried on; and it is therefore of great national Importance that the same should be placed and afterwards maintained in the best possible state of Repair: And whereas by the new Lines of Road, and other Alterations already made, the Communication between *London* and *Holyhead* has been already greatly facilitated, and the Intercourse between *Great Britain* and *Ireland* thereby much promoted: And whereas for perfecting the Plans of Improvement contemplated, several of the Roads and Parts of the Roads between *London* and *Shrewsbury*, by *Coventry* and *Birmingham*, require further Alterations and Improvements, by which the Distances may be shortened and the travelling thereon rendered more safe and commodious: And whereas, with a View to the effecting of the Alterations on the said Roads, the Lords Commissioners of His Majesty's Treasury have caused the said Roads to be surveyed, and Maps, Plans, Sections, and Estimates of the Expence of the several Alterations and Improvements required, have been prepared and made by the Order of the said Lords Commissioners of His Majesty's Treasury; which said Maps, Plans, Sections, and Estimates, have been referred to and approved of by the Commissioners for carrying into Effect the said first recited Act of the Fifty-

fifth Year aforesaid, and were presented to and laid before the Commons House of Parliament during the last Session: And whereas it is desirable that the said Alterations and Improvements should be carried into Effect, but the Funds of the several Trustees under whom the said Roads to be improved are maintained, are inadequate thereto: And whereas by an Act passed in the Fifty-seventh Year of His said late Majesty's Reign, intituled *An Act to authorize the Issue of Exchequer Bills, and the Advance of Money out of the Consolidated Fund, to a limited Amount, for the carrying on of Public Works and Fisheries in the United Kingdom, and Employment of the Poor in* Great Britain, *in Manner therein mentioned,* certain Commissioners therein named and appointed are authorized and empowered to issue and advance Exchequer Bills under the Directions and Regulations therein specified, for the carrying on of Public Works in *Great Britain*; and by another Act passed in the said Fifty-seventh Year of His said late Majesty's Reign, intituled *An Act to amend an Act made in the present Session of Parliament, for authorizing the Issue of Exchequer Bills, and the Advance of Money for carrying on of Public Works and Fisheries, and Employment of the Poor,* the Powers of the said first-mentioned Act are enlarged and extended: And whereas by an Act passed in the First Year of the Reign of His present Majesty, intituled *An Act to amend and continue Two Acts passed in the Fifty-seventh Year of His late Majesty King* George *the Third, for authorizing the Issue of Exchequer Bills, and the Advance of Money for carrying on of Public Works and Fisheries, and Employment of the Poor; and to extend the Powers of the Commissioners for executing the said Acts in* Great Britain; the Powers of the said Two Acts passed in the said Fifty-seventh Year of His said late Majesty are altered, amended, and enlarged: And whereas it would be of great Public Benefit if the said Commissioners for the Issue of Exchequer Bills, acting in Execution of the said last recited Acts, were authorized and empowered to advance to the Commissioners for executing the said first recited Act of the Fifty-fifth Year of the Reign of His late Majesty King *George* the Third, a Sum of Money, in order that the Alterations and Improvements mentioned and specified in the Schedule marked (A.) to this Act annexed, may be made, and the said Money applied for such Purpose to and amongst the several Trustees referred to in the said Schedule, in such Proportions as the said Commissioners for executing the said first recited Act of the Fifty-fifth Year of the Reign of His said late Majesty King *George* the Third, may direct and appoint: May it therefore please Your Majesty that it may be enacted; and be it enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That the Commissioners for carrying into Execution the said first recited Act of the Fifty-fifth Year of the Reign of His late Majesty King *George* the Third, and their Successors, shall be Commissioners for carrying into Effect the Purposes of this Act, and making and completing the said several Alterations and Improvements on the said Roads, described and set forth in the Schedule to this Act annexed.
