XV. And

Rules to be observed in the Application of the Sum appropriated to Half Pay.

XV. And as to the Sum of Seven hundred and fifty-two thousand Pounds by this Act appropriated on account of Half Pay as aforesaid, it is hereby enacted and declared, That the Rules hereafter prescribed shall be duly observed in the Application of the said Half Pay; (that is to say), that no Person shall have or receive any Part of the same without taking an Oath to such Purport and Effect as shall be required in that Behalf by His Majesty's Warrants directing the Issue of the Half Pay to be received; that no Person shall have or receive any Part of the same who was under the Age of Sixteen Years at the Time when the Regiment, Troop, or Company in which he served was reduced; that no Person shall have or receive any Part of the same who did not do actual Service in some Regiment, Battalion, Troop, or Company in His Majesty's Service, except in Cases in which the Commission was received under Circumstances which did not, according to the Regulations of the Army, require the Officer to serve; that no Person shall have or receive any Part of the same who has resigned his Commission, and has no Commission since; that no Part of the same shall be allowed to any Person by virtue of any Warrant or Appointment, except to such Person as would have been otherwise entitled thereto as a Reduced Officer; that no Person shall have or receive any Part of the same for any Time during which he shall hold any other Military Place or Employment of Profit under His Majesty, or in His Majesty's Colonies or Possessions beyond the Seas, except on the Staff or in Garrison; and that in such excepted Cases, or in case of his holding any Military Place or Employment of Profit under another Government, no Officer shall receive any Part of his Half Pay, unless with His Majesty's Approbation, to be signified by the Secretary at War to the Paymaster General of the Land Forces; and the Officer claiming the Half Pay in pursuance of such Approbation shall specify in his Oath or Affidavit the other Military Place or Employment of Profit on the Staff or in a Garrison which he may hold or have held under His Majesty, or in the Colonies or Possessions of His Majesty beyond the Seas, or under any other Government; that no Person shall have or receive any Part of the same for any Time during which he shall hold any Civil Place or Employment of Profit under His Majesty, or in the Colonies or Possessions of His Majesty beyond the Seas, or under any other Government, except in Cases in which the same shall not exceed Three Times the Amount of the highest Rate of Half Pay attached to the Rank in virtue of which he claims to receive Half Pay, or as herein-after mentioned, nor in any such excepted Cases, unless with His Majesty's special Approbation, signified as aforesaid; and the Officer claiming the Half Pay in pursuance of such Approbation shall signify in his Oath or Affidavit the Civil Place or Employment of Profit which he may hold or have held as aforesaid; but if the Net Annual Emoluments of such Civil Place or Employment shall exceed Three Times the Amount of Half Pay as aforesaid, and shall fall short of Four Times that Amount, then it shall be lawful for the Paymaster General of the Land Forces, with His Majesty's Approbation, signified by the Secretary at War as aforesaid, to issue, on or after the Twenty-fourth Day of *December* One thousand eight hundred and twenty-five, so much of the Half Pay claimed by any such Officer as shall, together with the Net Annual Emoluments of the Civil Place or Employment, be equal to Four Times

Times the Amount of such Half Pay, and the Officer claiming the Half Pay in pursuance of such Approbation shall specify in his Oath or Affidavit the Civil Place or Employment of Profit which he may have held as aforesaid, and the actual Amount of the Emoluments thereof, in such Manner and Form, and calculated up to such Period or Periods, as shall be required by the Secretary at War: Provided always, that nothing in this Act contained shall prevent any Person from receiving his Half Pay who shall be entitled to the same under any other Act or Acts of Parliament relating to the General or Local Militia, or the Yeomanry or Volunteers, but that every such Person shall receive the same according to the Provisions of any such Act or Acts; and also every Surgeon, Serjeant Major, Serjeant, Corporal, and Private, serving in the General or Local Militia, or in any Corps of Yeomanry or Volunteers in *Great Britain* or *Ireland*, may and shall receive any Half Pay, together with any Pay in the General or Local Militia, or Yeomanry or Volunteers, upon the taking such Oath (if any) as shall be required in or by any Act or Acts of Parliament, or specified in any Warrant of His Majesty, as the Case may be, and stating in such Oath the Commission or Employment which he held in the General or Local Militia, the Yeomanry, or Volunteers.

Not to prevent the receiving of Half Pay under any Act relating to the General or Local Militia, &c.

XVI. And whereas a considerable Part of the Money appropriated on account of Half Pay by an Act passed in the last Session of Parliament, intituled *An Act for raising the Sum of Fifteen Millions by Exchequer Bills, for the Service of the Year One thousand eight hundred and twenty-four, and for further appropriating the Supplies granted in this Session of Parliament*, has been issued without requiring, by Persons issuing or paying, and without the taking by the Persons receiving Half Pay, the Oaths in the Form therein prescribed to be taken by Officers claiming Half Pay; and Part of the said Monies has been paid to Officers claiming and entitled to Half Pay, who at the same Time held and may still hold the Situation of and serve respectively as Surgeons, Serjeant Majors, Serjeants, Corporals, or Privates in the General or Local Militia, or Yeomanry or Volunteer Corps, in *Great Britain* or *Ireland*; and it is expedient that all such Persons should be indemnified; be it therefore enacted, That all Persons concerned in the advising, authorizing, or directing the issuing, or in the issuing of any Half Pay, or any Monies for Half Pay, or in the Application of any Money appropriated by the said Act for that Purpose, or in receiving or being concerned in the receiving any Portion of the Money so appropriated for such Half Pay, without requiring or taking the Oaths or either of them in the Form prescribed by the said recited Act, or to or on account of any such Officers or Persons as aforesaid, shall be and are hereby fully indemnified, and shall be and are hereby fully exonerated and discharged from all Penalties, Forfeitures, or Prosecutions or Proceedings, in respect of any thing done in relation thereto, in all Cases in which such Half Pay, or Payment for or in respect of Half Pay, shall have been or may hereafter be issued or received in conformity with the Provisions of the said recited Act or this Act, and the Usages heretofore established and observed in relation to the issuing, paying, and receiving of Half Pay in all other respects, except so far as relates to the demanding, requiring, or taking the Oaths therein prescribed; and all such Payments and Issues of Half Pay which shall have been

5 G. 4. c. 115.

Persons concerned in issuing, paying, and receiving Money for the Payment of Half Pay, without the Oaths having been taken as required, indemnified.

or may be issued to any such Persons as aforesaid, shall be deemed valid and effectual Payments, and the Paymaster General and all other Persons concerned in the issuing and paying the same shall be and are hereby fully discharged and exonerated in respect thereof in all Accounts relating to such Issues and Payments; any thing contained in any Act or Acts of Parliament, or any Law, or Rules or Regulations, relating to the issuing and paying of Half Pay, to the contrary notwithstanding.

Half Pay allowed to the Officers of the *Manx* Fencibles.

XVII. And whereas the Officers of the Royal Regiment of *Manx* Fencibles engaged to serve in the said Corps upon a Stipulation contained in the Letter of Service under which they were raised, that they should be allowed to receive any Half Pay to which they might be entitled, notwithstanding their holding Subaltern Commissions in the said Corps; but no Provision has been made by Parliament for Payment of such Half Pay; and it is therefore expedient that Provision should be now made for Payment of the Arrears of Half Pay to such Officers as aforesaid; be it therefore enacted, That Officers who were entitled to Half Pay, and who accepted or held Subaltern Commissions in the Royal Regiment of *Manx* Fencibles, shall, notwithstanding their having held the Full Pay of such Commissions, be entitled to receive the Arrears of such Half Pay for any Year or Time in which they shall not have been before allowed to receive the same, upon taking an Oath before the Officer usually administering Oaths to Persons for the Purpose of receiving Half Pay, that they had not, in any Year or Time for which such Arrear is claimed, any Office or Employment of Profit, Civil or Military, under His Majesty, besides their Allowances of Half Pay, save and except their Pay as such Subaltern Officers of the Royal Regiment of *Manx* Fencibles; and the taking the Oath shall, without taking any other Oath, be sufficient to entitle such Officer to receive his Half Pay.

Half Pay Allowances to Chaplains of Regiments not being in possession of Ecclesiastical Benefices derived from the Crown.

XVIII. And whereas Chaplains of Regiments who have been placed upon Half Pay have not been allowed to receive such Half Pay in some Years, in consequence of being in Possession at the Time of certain Ecclesiastical Benefices or Preferments, though the same were not in the Patronage of the Crown: And whereas it has been judged fair and reasonable that they should be allowed to receive such Half Pay, though in Possession of Ecclesiastical Preferment, provided the same was private Patronage, and not derived from the Crown, and that they should also be entitled to receive the Arrears of Half Pay for such former Year as aforesaid: Be it therefore enacted, That all Chaplains who, after having been placed upon Half Pay, shall have been refused, or been unable to receive such Half Pay in any Year, in consequence of holding any Ecclesiastical Benefice not derived from or in the Gift of the Crown, shall be entitled to receive the Arrears of such Half Pay for such Year, upon making Affidavit before the proper Officer for administering Oaths to Persons for entitling them to receive Half Pay, that they held no Ecclesiastical Benefice or Preferment in any such Year derived from the Crown, nor any Place or Employment of Profit under His Majesty; and the taking the said Oath shall, without taking any other Oath, be sufficient to entitle such Chaplain to receive his Half Pay.

XIX. And

By 5 G. 4. c. 115. a Sum was appropriated to be paid to Half Pay Officers, the Surplus of which is hereby authorized to be disposed of as His Majesty shall direct.

XIX. And whereas by the said recited Act, passed in the last Session of Parliament, the several Supplies which had been granted to His Majesty, as is therein mentioned, were appropriated to the several Uses and Purposes therein expressed, amongst which any Sum or Sums of Money not exceeding Seven hundred and twenty-eight thousand three hundred Pounds was appropriated to be paid on account of Half Pay, for the Year One thousand eight hundred and twenty-four, subject nevertheless to such Rules to be observed in the Application of the said Half Pay as in and by the aforesaid Act were prescribed in that Behalf: Now it is hereby provided, enacted, and declared, That so much of the said Sum of Seven hundred and twenty-eight thousand three hundred Pounds, as is or shall be more than sufficient to satisfy the said Reduced Officers, according to the Rules to be observed in the Application thereof, or any Part of such Overplus, shall and may be disposed of to such Officers who are maimed or have lost their Limbs in the late War, or such others as, by reason of their long Service, or otherwise, His Majesty shall judge to be proper Objects of Charity, or to the Widows or Children of such Officers, according to such Warrant or Warrants, under His Majesty's Royal Sign Manual, as shall be signed in that Behalf; any thing in this Act, or the said former Act, to the contrary notwithstanding.
