EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order provides that a manufacturer shall apply the letter " X " to infants' and girls' utility wear made by him from wool cloth.

The manufacturer's overriding maximum prices for garments made from wool cloth other than rainwear have been increased by 16 per cent. on a sale to a wholesaler and by 15 per cent. on a sale otherwise than to a wholesaler or retail customer, except in the case of underwear and nightwear made from cloth of which the specification number is 225, 225A, 239 or 240 for which they have been increased by 7½ per cent.

The percentage increase by means of which a manufacturer calculates his overriding maximum price on a sale to a retail customer has been reduced from 42.86 per cent. to 37.94 per cent. for garments (other than underwear, nightwear, pinafores, overalls, and rainwear) made from wool cloths and from unsubsidised cotton cloths (i.e. those having a specification number preceded by the letter " X ").

The Order also brings into force Lists Nos. 11 and 12 of Amendments to Schedule I.G.2. List No. 11 relates to infants' and girls' utility heavy and light outerwear and headwear and List No. 12 to infants' and girls' utility underwear and nightwear.
