2. In relation to a garment of a description specified in Part I or Part II hereof being pyjamas of which the chest measurement (measured from edge to edge of the jacket) is not less than 54 ins., marked by means of a label in a place adjacent to the utility mark with the word " over-size," the appropriate amount specified in Part I or Part II hereof shall be deemed to be increased by 22½ per cent. thereof.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order replaces the current Orders on men's and boys' shirts, underwear and nightwear.

It provides that (except in the case of garments made from cloth owned by a person other than the manufacturer) the manufacturer's maximum prices are maximum cash prices only instead of " cost plus " with overriding maximum prices as heretofore.

The maximum cash prices for garments made from unsubsidised cotton cloths (i.e. cloths of a specification number preceded by the letter " X ") are higher than the previous overriding maximum prices for such garments.

Some new cotton cloths (the specification numbers of which are printed in bold type) have been added to Part II of the Schedule for certain garments, and a number of woven rayon cloths of existing specification numbers have been added to Part II of the Schedule for shirts with collar attached.

1.—(1) A person may in the course of his business make up any garment of a type mentioned in Part I of the Schedule hereto from utility goods being cloth of a specification number mentioned in relation to that type of garment, but shall not in making up any garment in pursuance of this paragraph use any other cloth except as provided in the following paragraphs of this Article.

(3) A person may in the course of his business use as linings or interlinings of a garment of any description specified in Part I of the Schedule hereto (except in the case of garments referred to in the first column as unlined or self-lined) or as waistbands or other accessories of trousers, breeches, pantaloons or knickers of a description so specified, all or any of the following:—

(4) When sizes are specified in Part I of the Schedule hereto in relation to a garment of any description, this Article shall not authorise the making up of a garment of that description of any size other than a size specified, or of a size specified if no price is specified in relation to that size.

(5) The provisions of Part II of the Schedule hereto shall have effect in relation to the interpretation of this Order.

2. A person shall not supply any garment of a description specified in Part I of the Schedule hereto, being a garment manufactured by him whether before or after the commencement of this Order from cloth of a specification number included in the Schedule to the Woven Cloth (Wool and Animal Fibre) (Manufacture, Marking and Supply) Order, 1948(**b**), to any Directions revoked by that Order or to any Directions revoked by those Directions, until he has applied thereto the letter "X". Such letter shall be not less than $\frac{1}{8}$ inch in height and shall be applied in such manner as to be plainly visible and either—

3.—(1) A person shall not in the course of his business charge in respect of the sale of any garment of a description specified in Part I of the Schedule hereto, made up by him before or after the commencement of this Order but supplied thereafter, a gross price exceeding—

(*a*) in the case of a sale otherwise than to a retail customer the appropriate amount specified in the third column of Part I of that Schedule; or

(**a**) S.R. & O. 1947 (2645) II, p. 171.
(**b**) S.I. 1948 No. 305, p. 341 below.

(*b*) in the case of a sale to a retail customer the appropriate amount so specified together with 33⅓ per cent. thereof.

(2) A person who manufactures, wholly or mainly from goods owned by another person otherwise than in the course of his business, any garment of a description aforesaid shall not charge in respect thereof a service charge exceeding the manufacturer's costs together with 5 per cent. thereof.

(3) The price charged by any person in respect of the sale (otherwise than to a retail customer) of any goods of a description aforesaid shall be reduced by an amount not less than 2½ per cent. of the gross price in any case in which payment for those goods is made or tendered before the tenth day of the month immediately succeeding that in which the goods were consigned by the seller to or to the order of the buyer.

(4) Any reference in this Article to an amount specified in Part I of the Schedule hereto shall be deemed to be a reference to that amount with any appropriate modification specified in Part III of that Schedule.

4. In respect of the alteration by a manufacturer of any garment of a description specified in Part I of the Schedule hereto, manufactured by him whether before or after the commencement of this Order, being an alteration made to those goods within three months after the sale of those goods to a retail customer—

(*a*) in the case of a garment made to measure for that customer, the manufacturer shall make no service charge exceeding 1d.;

(*b*) in the case of a garment not so made, the manufacturer shall make no service charge exceeding 15s.

7.—(1) In this Order—

"gross price" means the price inclusive of all delivery charges payable either by the buyer or the seller, and before any deductions by way of discount have been made; so, however, that no account shall be taken of delivery charges payable by the buyer—

(*a*) on a sale to a retail customer, or

(*b*) on a sale otherwise than to a retail customer of goods to which this Order applies whether or not the goods are included in a parcel comprising goods to which this Order does not apply, where the total price in respect of such goods, or, where such goods are included in such a parcel, such parcel (exclusive of the appropriate amount of Purchase Tax where such tax is chargeable and exclusive of delivery charges) does not exceed £2;

"retail customer" means a person to whom goods are offered for sale by retail.

(2) The provisions of Articles 14, 15 and 18 of the Utility Mark and Apparel and Textiles (General Provisions) Order, 1947(a), shall form part of and be incorporated in this Order.

8.—(1) The Utility Apparel (Men's, Youths' and Boys' Outerwear) (Manufacture and Supply) Order, 1948(b), and the Utility Apparel (Men's, Youths' and Boys' Outerwear) (Manufacture and Supply) (Amendment) Order, 1948(c), are hereby revoked, so however that any current licence issued or having effect thereunder shall have effect as if it were issued under this Order.

(2) This Order may be cited as the Utility Apparel (Men's, Youths' and Boys' Outerwear) (Manufacture and Supply) (Consolidation) Order, 1948, and shall come into operation on the 1st day of November, 1948.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order replaces the current Orders on men's, youths' and boys' utility outerwear.

It provides that (except in the case of garments made from cloth owned by a person other than the manufacturer) the manufacturer's maximum prices are maximum cash prices only instead of " cost plus " with overriding maximum prices as heretofore. The maximum cash prices for garments made from unsubsidised cotton cloths (i.e. cloths of a specification number preceded by the letter " X ") are higher than the previous overriding maximum prices for such garments.
