EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order replaces the current Orders on men's and boys' shirts, underwear and nightwear.

It provides that (except in the case of garments made from cloth owned by a person other than the manufacturer) the manufacturer's maximum prices are maximum cash prices only instead of " cost plus " with overriding maximum prices as heretofore.

The maximum cash prices for garments made from unsubsidised cotton cloths (i.e. cloths of a specification number preceded by the letter " X ") are higher than the previous overriding maximum prices for such garments.

Some new cotton cloths (the specification numbers of which are printed in bold type) have been added to Part II of the Schedule for certain garments, and a number of woven rayon cloths of existing specification numbers have been added to Part II of the Schedule for shirts with collar attached.
