THE FOURTH SCHEDULE

Amendments to Sections A, E, and F, of the First Schedule to the Principal Order

1. In SECTION A, in Division I thereof, in Part I of that Division, in the Table therein (see p. 8 of the printed Order)—

for the Rate of CHARGE in—

Item No.	105	*substitute*	6½d.
,,	106	,,	6½d.
,,	107	,,	6½d.
,,	108	,,	6½d.
,,	109	,,	6½d.

2. In SECTION E, and in SECTION F (exclusive of that subsection of Section F which is dealt with at (A) in the Third Schedule to this Order), in the heading to Column (3) throughout the Table in each of those Sections, add to the end of that heading the word "*nominal*".

EXPLANATORY NOTE

(*This Note is not part of the Order, but is intended to indicate its general purport.*)

The Order amends the Leather (Charges) (No. 1) Order, 1947 (S.R. & O. 1947 No. 2800), in respect of material other than "Section D" Material, by—removing long process material (6 months or more) from charge, reducing the charge in respect of exports under contracts made before 1948 and executed before the 1st October, 1948, remitting two-thirds of the remaining charge where it does not exceed £1,000, and in cases where it does exceed that figure remitting two-thirds provided that the remitted sum (after allowance for tax) is applied (under specified safeguards) solely to meeting stock losses; and correcting certain figures for the rate of charge.

The calculation of charge on raw hides and skins in process for bottom leather (which was originally cast on a general averaging basis) is re-cast to enable processors using more precise methods of identification to retain the benefit of so doing, and to make a minor adjustment in adaptation to the various sole leather "offal" practices.
