At the Court at Buckingham Palace, the 21st day of December, 1949

Present

The King's Most Excellent Majesty in Council

Whereas by Section 8 of the Weights and Measures Act, 1878(a), it is provided that the Board of Trade shall, from time to time, cause such new denominations of standards, being either equivalent to or multiples or aliquot parts of the imperial weights and measures ascertained by the said Act, as appear to them to be required in addition to those mentioned in the Second Schedule to the said Act, to be made and duly verified and that those new denominations of standards, when approved by His Majesty in Council, shall be Board of Trade Standards in like manner as if they were mentioned in the said Schedule:

(a) 41 & 42 Vict. c. 49.

And Whereas it has been made to appear to the Board of Trade that a new denomination of standard of one hundredweight being equivalent to the imperial weight of one hundredweight and new denominations of standards of four hundredweights, five hundredweights and ten hundredweights being multiples of the said imperial weight of one hundredweight are required and they have caused the same to be made and duly verified:

Now, therefore, His Majesty pursuant to Section 8 of the Weights and Measures Act, 1878, by and with the advice of His Privy Council, is pleased to approve one hundredweight, four hundredweights, five hundredweights, and ten hundredweights as new denominations of standards and they are hereby so approved.

This Order may be cited as the Weights and Measures (Board of Trade Standard 1 hundredweight, 4 hundredweights, 5 hundredweights and 10 hundredweights) Order, 1949, and shall come into operation on the 24th day of December, 1949.

At the Court at Buckingham Palace, the 29th day of March, 1949

Present,

The King's Most Excellent Majesty in Council

Whereas by Section 8 of the Weights and Measures Act, 1878(**a**), it is provided that the Board of Trade shall, from time to time, cause such new denominations of standards, being either equivalent to or multiples or aliquot parts of the imperial weights and measures ascertained by the said Act, as appear to them to be required, in addition to those mentioned in the Second Schedule to the said Act, to be made and duly verified and that those new denominations of standards, when approved by His Majesty in Council, shall be Board of Trade standards in like manner as if they were mentioned in the said Schedule:

And Whereas by the Weights and Measures (Metric System) Act, 1897(**b**), it is among other things enacted that the Board of Trade Standards which may be made under Section 8 of the Weights and Measures Act, 1878, shall include metric standards derived from the iridio-platinum standard kilogramme numbered 18:

And Whereas it has been made to appear to the Board of Trade that a new denomination of metric standard of weight of 0.25 metric carat being an aliquot part of the standard kilogramme aforesaid is required and they have caused the same to be made and duly verified:
