And Whereas by subsection (3) of Section 20 of the Finance Act, 1894(**c**), it is enacted that His Majesty may, by Order in Council, apply that Section to any British possession where His Majesty is satisfied that, by the law of such possession, either no duty is leviable in respect of property situate in the United Kingdom when passing on death, or that the law of such possession as respects any duty so leviable is to the like effect as the foregoing provisions of that Section :

And Whereas by Article 14 of the Government of Ireland (Adaptation of the Taxing Acts) Order, 1922(**d**), it is provided that the reference to the United Kingdom in the said subsection (3) shall, in the application of the provisions of that subsection to Northern Ireland, be construed as a reference to Northern Ireland :

And Whereas His Majesty is satisfied that by the law of the Federation of Malaya either no duty is leviable in respect of property situate in Northern Ireland when passing on death or that the law as respects the duty so leviable is to the like effect as the provisions of subsection (1) of the aforesaid Section 20 of the Finance Act, 1894 :

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The Order applies the provisions of Section 20 of the Finance Act, 1894, to the Federation of Malaya. Section 20 provides by way of Order in Council for relief from double death duties within the Commonwealth and Empire in the case of any Dominion or Colony which does not levy duty on property situated in the United Kingdom or in which a reciprocal allowance is made.

The principle of the relief is that where a deceased person was domiciled at his death in Northern Ireland and duty is payable in a Dominion or Colony on property situated within its territory, the amount of the duty so paid is allowed against the Estate Duty payable in Northern Ireland on that property.
