(*a*) cloth being binding, and

(*b*) cloth to an area not exceeding 5 per cent., or in the case of a mess jacket 10 per cent., of the total area of cloth (excluding binding) used in the manufacture of that garment.

(2) The cloth referred to in head (*b*) of paragraph (1) of this Article may be utility goods or cloth not being utility goods.

(3) The provisions of Part I of the Second Schedule hereto shall apply to the interpretation of section 1 of Part I of the First Schedule and the provisions of Part II of the Second Schedule shall apply to the manufacture of a garment of a description specified in Part I of the First Schedule.

(4) Nothing in this Article shall authorise the manufacture of any garment of which any measurement is less than the smallest corresponding minimum measurement specified in relation to that garment in the Second Schedule hereto.

2.—(1) A label shall be securely sewn by the manufacturer to any garment of a description specified in section 1 of Part I of the First Schedule hereto manufactured by him (being a garment in relation to which sizes are specified in that section or in the Second Schedule), such label showing—

(2) A manufacturer may apply a label showing the word " special " or an abbreviation thereof (not being the letter " S ") to any garment of a description specified in section 2 of Part I of the First Schedule hereto manufactured by him being a garment made to special order as described in head (*b*) of paragraph (1) of this Article.

(3) A manufacturer shall not apply a label showing the word " special " or an abbreviation thereof in accordance with the provisions of paragraph (1) or (2) of this Article to a garment of any description specified in the First Schedule hereto manufactured by him if the number of such garments to which such a label has been applied by him already exceeds or would thereby exceed 2 per cent. of the total number of garments of descriptions so specified manufactured by him.

3.—(1) A person shall not, in the course of his business, charge in respect of the sale of any garment of a description specified in section 1 of Part I of the First Schedule hereto manufactured by him whether before or after the commencement of this Order but supplied thereafter a gross price exceeding—

(*b*) on a sale otherwise than to a wholesaler, the amount so specified increased by 10 per cent. thereof.

(2) A person shall not, in the course of his business, charge in respect of the sale of any garment of a description specified in section 2 of Part I of the First Schedule hereto manufactured by him whether before or after the commencement of this Order but supplied thereafter a gross price exceeding—

(*a*) on a sale otherwise than by retail, the amount specified in that section in relation to a garment of that description;

(*b*) on a sale by retail, the amount so specified increased by 29.04 per cent. thereof.

(3) The price charged by any person in respect of the sale (otherwise than by retail) of any garment of a description specified in the First Schedule hereto, manufactured by him, shall be reduced by an amount not less than 2½ per cent. of the gross price in any case in which payment for that garment is made or tendered before the tenth day of the month immediately succeeding that in which the garment was consigned by the seller to, or to the order of, the buyer.

(4) Any reference in this Article to an amount specified in Part I of the First Schedule hereto shall be deemed to be a reference to that amount with any appropriate modification specified in Part II thereof.

4. Nothing in this Order shall prohibit the doing of anything under the authority of a licence granted by the Board of Trade under this Article and in accordance with any condition attached thereto.

5. Any reference in this Order to a specification number shall be deemed to include a reference to that number preceded by the letter "Z".

6.—(1) In this Order, "gross price", in relation to the sale of any goods to which this Order applies, means the price before any deductions by way of discount have been made and includes delivery charges:

Provided that, in computing the gross price charged, no account shall be taken of costs paid or incurred in delivering those goods—

(*a*) on a sale by retail, or

(*b*) where the price of such goods, or, if they are delivered in a parcel containing other goods, the price of that parcel (excluding purchase tax and delivery charges), does not exceed £2.

(2) The provisions of paragraph (2) of Article 15, and Article 18 of the Utility Mark and Apparel and Textiles (General Provisions) Order, 1947(a) (as amended from time to time), shall, so far as they are relevant, be incorporated with this Order.

7.—(1) The Utility Apparel (Industrial Overalls and Merchant Navy Uniforms) (Manufacture and Supply) Order, 1950(b), and the Utility Apparel (Industrial Overalls and Merchant Navy Uniforms) (Manufacture and Supply) (Amendment) Order, 1950(c), are hereby revoked:

Provided that any current licence granted or having effect thereunder shall have effect as if it had been granted under this Order.
