EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order amends the current Order relating to the manufacture and supply of men's and boys' utility shirts, underwear and nightwear. The principal changes are as follows:—

(*a*) manufacturers' maximum prices for men's and boys' cotton shirts, underwear and nightwear already included in the utility range are increased;

(*b*) provision is made for the manufacture of pyjamas from two utility cotton cloths not previously specified for that purpose and manufacturers' maximum prices are provided for pyjamas manufactured from those cloths; (these maximum prices are not subject to the increase mentioned in (*a*) above);

(*c*) increased allowances are provided for shirts and pyjamas made from cloths marked "R/", "P/" or "E/" (i.e. cloths in which Egyptian yarn has been used instead of American);

(*d*) a manufacturer supplying to a retailer may now add the full "uplift" of 16.28 per cent. only if he conducts a regular selling organisation for supplying the retail trade; if he does not conduct such an organisation he may charge an "uplift" of 5 per cent. only.

The Utility Apparel (Men's, Youths' and Boys' Outerwear) (Manufacture and Supply) (No. 2) Order, 1950

1950 No. 1959

Made - - - -	*7th December,* 1950
Laid before Parliament	*8th December,* 1950
Coming into Operation	*20th December,* 1950

The Board of Trade in pursuance of the powers conferred upon them by Regulations 55 and 55AB of the Defence (General) Regulations, 1939, as having effect by virtue of the Supplies and Services (Transitional Powers) Act, 1945(**a**), as extended by the Supplies and Services (Extended Purposes) Act, 1947(**b**), and continued in force by the Supplies and Services (Continuance) Order, 1950(**c**), hereby order as follows:—

1.—(1) A person may, in the course of his business, make up any garment of a type specified in the first column of Part I of the Schedule hereto from utility goods being any one cloth of a specification number included in the second column thereof in relation to that type of garment, but shall not in making up any garment under the authority of this paragraph use any other cloth except in accordance with the provisions of paragraph (2) or (3) of this Article.

Nothing in this paragraph shall authorise the use of any utility goods for the purposes mentioned in paragraph (3) of this Article.

(2) A person who makes up any garment under the authority of paragraph (1) of this Article may incorporate in that garment, in addition to any cloth incorporated therein under the authority of any other paragraph of this Article, any other cloth (whether utility goods or not) to an area not exceeding 5 per cent. of the total area of the cloth incorporated in that garment under the authority of paragraph (1) of this Article.

(**a**) 9 & 10 Geo. 6. c. 10; and S.R. & O. 1945 (Nos. 1611 and 1618) II, pp. 39 and 48.
(**b**) 10 & 11 Geo. 6. c. 55.
(**c**) S.I. 1950 No. 1769, p. 51 above.

For the purposes of this paragraph, a man's jacket and trousers made up from cloth of the same specification number and intended by the manufacturer to be supplied together as a two-piece suit shall together be deemed to constitute a single garment.

(3) A person may, in the course of his business, use, for the purpose of lining or interlining any garment of a description specified in Part I of the Schedule hereto (except a garment referred to in the first column as unlined) or for the purpose of making waistbands or other accessories of trousers, breeches, pantaloons, or knickers of a description specified in that Part, all or any of the following:—

(*a*) any cloth not being utility goods:

(*b*) any cloth being utility goods of which the specification number is 231, 232 or 233;

(*c*) any cloth being utility goods of a specification number (other than X3983/1, X3983/2 or X3983/3) included in any section headed "Linings" or "Calico, Longcloth, Flannelette" of Part I of Schedule NW3 to the Utility Woven Cloth (Cotton, Rayon and Linen) Order, 1950(a), as amended from time to time.

(4) Where sizes are specified in Part I of the Schedule hereto in relation to a garment of any description, a person shall not make up a garment of that description of any size not so specified or of any size so specified if no price is indicated in relation to that size.

(5) The provisions of Part II of the Schedule hereto shall have effect in relation to the interpretation of this Order.

2. A person shall not supply any garment of a description specified in Part I of the Schedule hereto, manufactured by him whether before or after the commencement of this Order wholly or mainly from cloth of a specification number included in the Schedule to any Order relating to the marking and supply of woven cloth (wool and animal fibre) made whether before or after the commencement of this Order by the Board of Trade, until he has applied thereto the letter "X". Such letter shall not be less than $\frac{1}{8}$ inch in height and shall be applied, in such manner as to be plainly visible, either—

(i) by means of weaving or indelible printing, stamping or writing upon the label on which the specification number of the cloth appears, as a prefix to that number, or

(ii) by means of a stamp or writing in indelible ink upon the cloth of the garment, as a prefix to the specification number of the cloth.

3.—(1) A person shall not, in the course of his business, charge in respect of the sale of any garment of a description specified in Part I of the Schedule hereto, manufactured by him whether before or after the commencement of this Order but supplied thereafter, a gross price exceeding—

(*a*) on a sale otherwise than by retail, the appropriate amount specified in that Part; and

(*b*) on a sale by retail, the appropriate amount so specified together with 29.04 per cent. thereof;

together in each case, with any appropriate increase specified in Part III of the Schedule.

(2) A person who manufactures, wholly or mainly from goods owned by another person otherwise than in the course of his business, any garment of a description specified in Part I of the Schedule hereto shall not make a service charge in respect thereof exceeding the manufacturer's costs incurred by him in relation to that garment together with 5 per cent. thereof.

(a) S.I. 1950 No. 304, p. 368 below.

(3) The price charged by any person in respect of the sale (otherwise than by retail) of any garment of a description specified in Part I of the Schedule hereto, manufactured by him, shall be reduced by an amount not less than 2½ per cent. of the gross price in any case in which payment for that garment is made or tendered before the tenth day of the month immediately succeeding that in which that garment was consigned by the seller to, or to the order of, the buyer.

4. A manufacturer who makes an alteration to a garment of a description specified in Part I of the Schedule hereto, manufactured by him whether before or after the commencement of this Order, within three months of the first sale thereof (whether by him or any other person) to a retail customer shall not make a service charge in respect of that alteration exceeding—

(*a*) 1d. in the case of a garment which was made up at the request of the person to whom the manufacturer supplied it to measurements given by that person to the manufacturer and which was cut singly by a special order cutter;

(*b*) 15s. in any other case.

5. Nothing in this Order shall prohibit the doing of anything under the authority of a licence granted by the Board of Trade under this Article and in accordance with any condition attached thereto.

6. Any reference in this Order to a specification number shall be deemed to include a reference to that number preceded by the letter "Z".

7.—(1) In this Order, "gross price", in relation to the sale of any goods to which this Order applies, means the price before any deductions by way of discount have been made and includes delivery charges:

Provided that in computing the gross price charged, no account shall be taken of costs paid or incurred in delivering those goods—

(*a*) where they are sold by retail; or

(*b*) where the price of such goods, or, if they are delivered in a parcel containing other goods, the price of that parcel (excluding purchase tax and delivery charges), does not exceed £2.

(2) The provisions of paragraph (2) of Article 15 and Article 18 of the Utility Mark and Apparel and Textiles (General Provisions) Order, 1947(**a**) (as amended from time to time), shall, so far as they are relevant, be incorporated with this Order.

8.—(1) The Utility Apparel (Men's, Youths' and Boys' Outerwear) (Manufacture and Supply) Order, 1950(**b**), the Utility Apparel (Men's, Youths' and Boys' Outerwear) (Manufacture and Supply) (Amendment) Order, 1950(**c**), the Utility Apparel (Men's, Youths' and Boys' Outerwear) (Manufacture and Supply) (Amendment No. 2) Order, 1950(**d**), and the Utility Apparel (Men's, Youths' and Boys' Outerwear) (Manufacture and Supply) (Amendment No. 3) Order, 1950(**e**), are hereby revoked:

Provided that any current licence granted or having effect thereunder shall have effect as if it had been granted under this Order.

(2) This Order may be cited as the Utility Apparel (Men's, Youths' and Boys' Outerwear) (Manufacture and Supply) (No. 2) Order, 1950, and shall come into operation on the 20th day of December, 1950.
