EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order amends the current Order relating to the manufacture and supply of men's and boys' utility shirts, underwear and nightwear. The principal changes are as follows:—

(*a*) manufacturers' maximum prices for men's and boys' cotton shirts, underwear and nightwear already included in the utility range are increased;

(*b*) provision is made for the manufacture of pyjamas from two utility cotton cloths not previously specified for that purpose and manufacturers' maximum prices are provided for pyjamas manufactured from those cloths; (these maximum prices are not subject to the increase mentioned in (*a*) above);

(*c*) increased allowances are provided for shirts and pyjamas made from cloths marked "R/", "P/" or "E/" (i.e. cloths in which Egyptian yarn has been used instead of American);

(*d*) a manufacturer supplying to a retailer may now add the full "uplift" of 16.28 per cent. only if he conducts a regular selling organisation for supplying the retail trade; if he does not conduct such an organisation he may charge an "uplift" of 5 per cent. only.
