EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order revokes the Copper and Zinc Prohibited Uses (Board of Trade) Order, 1951, as amended, and removes all the restrictions on the incorporation of copper and its alloys in the articles to which that Order applies; the prohibition on the incorporation of zinc in such articles was lifted by the Copper and Zinc Prohibited Uses (Board of Trade) (Amendment No. 2) Order, 1952. The incorporation of certain copper alloys containing nickel is still prohibited under the Nickel Prohibited Uses (Board of Trade) Order, 1951, as amended, and the Nickel Prohibited Uses (Minister of Supply) Order, 1951, as amended.
