This Order, which comes into operation on the 1st April, 1954, prescribes increased fees to be taken by the Board of Trade in respect of:—

(*a*) the verification of weights and measures (other than coin weights),
(*b*) the examination or testing of weighing or measuring instruments,

The fees prescribed for (*a*) and (*b*) above are to be taken in every case where rejection follows a completed test, but a refund of half the fee may be allowed where the rejection is based on inspection or on a preliminary test.

Reduced fees are now payable for the reverification in situ, before the ends of the periods within which they are required to be reverified, of weights and measures and weighing and measuring instruments for the use of inspectors of weights and measures, whether or not the reverification is made at the request of the Board of Trade.

The Order also prescribes fees to be taken by the Board for the examination of applicants for the post of inspector of weights and measures under a local authority.

The Order revokes the Orders mentioned in Article 2 (1).
