EXPLANATORY NOTE

(This Note is not part of the Byelaw, but is intended to indicate its general purport.)

This Byelaw permits, on certain conditions, the use of a seine net for the capture of white fish within exclusive fishery limits around the Shetland Islands. Unlike Byelaw No. 52 (S.I. 1955/271) which it revokes, it makes no special provision for the minimum mesh of nets to be used in the area; this will be governed by the Sea-Fishing Industry (Fishing Nets) Order, 1954 (S.I. 1954/78 (1954 II, p. 2003)).
