EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order approves Regulations made by the Admiralty and entitled the Greenwich Hospital (Education and Maintenance of Children) Regulations 1963, which make provision for the grant of allowances in aid of the education and maintenance of children. The Regulations revoke those approved by Orders in Council made the 16th day of January 1873, and the 12th day of December 1883. The principal changes are the removal of the minimum age at which these allowances may be awarded and the substitution for the maximum age of provisions permitting an allowance to be continued so long as the child is receiving full-time, or, exceptionally, part-time education.
