EXPLANATORY NOTE

(This Note is not part of the regulations, but is intended to indicate their general purport.)

These regulations amend the Improvement of Livestock (Licensing of Boars) (Scotland) Regulations 1949 and 1954.

Fees for licences or permits to keep boars are increased from 5s. to £1 1s. per boar and fees for referees' inspections are increased from £2 2s. to £5 5s. with certain reductions where more than one boar is available for inspection at the same time. There are a number of minor and consequential changes, including amendments to the prescribed forms.

The Improvement of Livestock (Licensing of Boars) (Scotland) Amendment Regulations 1963 providing for increases of fees, which were not put into effect, are revoked and the substance of their provisions incorporated in these regulations.
