EXPLANATORY NOTE

(*This Note is not part of the Rules.*)

These Rules amend the Superannuation (Civil Servants and Members of the House of Commons) Transfer Rules 1966, which provide, *inter alia*, for the aggregation of service and for a single superannuation award in cases where a person transfers from Membership of the House of Commons to established service in the Civil Service. These Rules provide for the transfer value payable to the Treasury in such cases to be reduced by the amount of income tax for which the Trustees of the Members' Contributory Pension Fund may become liable in respect of the transfer value.
