EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order brings into force for the county borough of Carlisle and certain areas of the administrative county of Cumberland as described in Schedule 1 to the Order the provisions of Part II of the Town and Country Planning Act 1971 (as amended by sections 1, 2 and 3 of the Town and Country Planning (Amendment) Act 1972 (1972 c.42)) which are set out in Schedule 2.

The provisions which are brought into force are the substantive provisions for the new development plan system of structure and local plans.

The provisions require a local planning authority to institute a survey, prepare a report of the survey and prepare and submit to the Secretary of State for his approval a structure plan for their area, and enable two or more local planning authorities, with the consent of the Secretary of State, to carry out their duties under Part II of the Act of 1971 by instituting a joint survey, preparing a joint report and preparing and submitting a joint structure plan for a combined area consisting of their areas or any part of their areas. The provisions also empower a local planning authority to prepare a local plan for any part of their area within the area of the structure plan.
