EXPLANATORY NOTE

(This Note is not part of the Regulations.)

The Community Land (Register of Land Holdings)(Wales) Regulations 1976 provide for each community land authority and local authority in Wales to keep registers recording their acquisitions, holdings and disposals of land. They prescribe the kinds of land to be registered, the form of the register and the particulars to be contained in it. The Regulations also provide that the registers or local extracts from the register of the Land Authority for Wales shall be available for public inspection at convenient offices at all reasonable hours.

These Regulations, by amending the 1976 Regulations, add the Development Board for Rural Wales to the list of authorities required to keep such registers.
