EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order amends the Medicines (Exemptions from Restrictions on the Retail Sale or Supply of Veterinary Drugs) Order 1977 ("the principal order").

The amendments made by the Order—

(1) make it clear that, when a person described in article 3(1) of the principal order lawfully sells a veterinary drug by retail, the subsequent delivery of that drug to the purchaser need not take place on the premises of the seller;

(2) exempt from the restrictions imposed by section 52 of the Medicines Act 1968—

(*a*) the retail sale or supply of any veterinary drug described in article 3 of, and referred to in Schedule 1 to, the principal order by a specially authorised person, provided that the conditions set out in that article are met,

(*b*) the retail sale or supply of any drug described in article 4 of, and referred to in Schedules 2 and 3 to, the principal order by a specially authorised person, or by a person carrying on a business wholly or mainly comprising the manufacture of animal feeding stuffs for sale, provided that the conditions set out in that article are met, and

(*c*) the supply in circumstances corresponding to retail sale of any drug described in article 4 of, and referred to in Schedules 2 or 3 to, the principal order by a pharmacist to the purchaser of the drug.

In addition, the conditions set out in article 3(4) of the principal order have been restated, clarifying some possible ambiguities.

The Schedules to the principal order have been replaced by new Schedules which are presentationally different and which embody some substantive amendments.
