(2) The holder of any award or awards governed by this scheme shall if required by the Senatus, furnish a statement of all other awards he holds. The Senatus shall have the right to adjust the value of any award made under this scheme to ensure that the combined annual value of all awards held by him shall not exceed such sums as the Senatus shall determine.

PART IV

CONDITIONS AND TENURE OF AWARDS

Persons eligible for awards

20. Holders of awards from any of the Funds established by this scheme must be matriculated students of the University except where the contrary is specified

in column 3 of schedule 6. In addition the Senatus may allow a matriculated student of the University to hold an award elsewhere than in the University for such period and on such conditions as it may approve if it considers that the course of study or research pursued by the student so requires.

Specific conditions of awards

21. Subject to the conditions of paragraph 22, the Senatus shall from the free income of the Funds referred to in paragraph 15(3) award bursaries, fellowships and scholarships, that is to say—

General conditions and tenure of awards

22.—(1) The Senatus, with the approval of the Court, shall determine the number, annual value and period of tenure of the awards, within their patronage, to be offered from the Funds in any year and shall regulate the method of award and the conditions of tenure. This shall include the making of regulations as to the conditions under which persons shall compete in the Entrance Bursary Examinations referred to in paragraph 21(*a*) or in such other examinations as the Senatus may determine. They shall attach to each of the awards in any year, the name of such of the awards shown in column 2 of schedules 3 to 7 as they consider appropriate.

(2) The awards shall be tenable for such minimum number of years as is necessary to enable the holder to graduate. It shall be in the power of the Senatus to extend a holder's period of tenure of an award if he extends his course of study, with the approval of the Senatus, in order to graduate with Honours or to be a candidate for Honours after graduation.

(3) In making awards, the Senatus shall have regard to the preferences and special conditions that are attached to particular awards and which are specified in columns 3 and 4 opposite the name of the award in column 2 of schedules 3 to 7 inclusive. (*c*) candidates whose entries have been accepted and who have obtained the prescribed minimum standard have obtained a similar award of equal or greater value.

Withdrawal of awards

23. The decision of the Senatus with regard to the functions detailed in paragraph 22 shall be final. In cases, however, where the Senatus resolves to withdraw an award, whether permanently or temporarily, because they consider that the holder is failing to make reasonable progress in the course of study or research which he has undertaken or for serious misconduct or any other reason, the holder shall have the right to appeal to the Court within fourteen days from the date on which he received intimation of the said resolution of the Senatus. The decision of the Court shall then be final.

Presentation awards

24.—(1) Upon each occasion of a vacancy in a presentation award shown in column 5 opposite the name of the award in column 2 of schedules 3, 5 and 7 respectively, the Senatus shall intimate the vacancy to the patron entitled to present to the said award in terms of the conditions shown in columns (3) and (4) of the said schedules. The patron shall be entitled at any time on or before the last day for receiving entries for the award to present any person or persons qualified to compete for the said award.

(2) The Senatus shall offer the award subject to the terms of paragraph 21 and 22.

Acquisition of presentation awards

25.—(1) It shall be in the power of the Court to open negotiations to acquire a patron's right of presentation to an award.

The purchase price shall be fixed by agreement between the patron and the Court, or failing agreement, by an arbiter to be appointed by them.

(3) Where a right of presentation to an award is bought by the Court under this paragraph it shall be in the power of the Court to defray the cost from the capital of the appropriate Fund.

Power to vary basis of awards

26.—(1) The Senatus in exercise of their powers under paragraph 22 may determine, with the approval of the Court, that part or all of the free annual income of the Entrance Bursaries Endowments Fund referred to in paragraphs 4(1)(*a*) and 21(*a*) shall be applied to the purposes of the Common Bursaries Endowments Fund specified in paragraphs 4(1)(*e*) and 21(*e*). In approving regulations to give effect to such determination, the Court shall give twelve calendar months' notice, in such manner and to such bodies as they think fit, of the coming into effect of such regulations.

(2) The above sub-paragraph shall apply to any award in the patronage of persons or bodies other than the Court, if after due notice being given to any

patron of the intention of the Senatus so to vary the conditions of award the said patron:—

(*a*) shall signify his consent in writing, or

(*b*) shall fail to make formal objection within three months.

Extension of awards to new Faculties

27. It shall be in the power of the Senatus following the creation of any additional Faculty or the sub-division or amalgamation of existing Faculties to decide with regard to the award of any bursary, fellowship or scholarship that a preference shall be accorded to students about to enter the new Faculty provided it is closely related to the Faculty or one of the Faculties in which the award is tenable under this scheme.
