1984 No. 484 (S. 55)

RIVER, SCOTLAND

SALMON AND FRESHWATER FISHERIES

The Diseases of Fish (Infected Area) (Scotland) Revocation (No. 5) Order 1984

Made - - - -	*28th March* 1984
Coming into Operation	*4th April* 1984

The Secretary of State, in exercise of the powers conferred on him by section 2(1) as read with section 11 of the Diseases of Fish Act 1937 (a), and of all other powers enabling him in that behalf, being satisfied as respects the area comprising that part of Loch Etive, Argyll, lying to the southeast of a straight line drawn between a point on the headland of the bay to the south of Aird's Point, Ordnance Survey grid reference NM 985 341 and a point on the headland RUBHA RIABHACH, Ordnance Survey grid reference NM 974 338 up to the High Water Mark of Ordinary Spring Tides but excluding that area as defined in Diseases of Fish (Infected Area) (Scotland) No 4 Order 1975 (b) that the waters therein are no longer infected waters, hereby makes the following order:—

Citation and commencement

1. This order may be cited as the Diseases of Fish (Infected Area) (Scotland) Revocation (No. 5) Order 1984 and shall come into operation on 4th April 1984.

Revocation of order

2. The Diseases of Fish (Infected Area) (Scotland) No 2 Order 1977 (c) is hereby revoked.

Given under the Seal of the Secretary of State for Scotland.

I. G. F. Gray,
Assistant Secretary,
Department of Agriculture and
Fisheries for Scotland.

New St Andrews House,
Edinburgh.
28th March 1984.

(a) 1937 c.33; section 10(1) (which provides a definition of "infected") was amended by S.I. 1973/2093 and 1978/1022.
(b) S.I. 1975/1527.
(c) S.I. 1977/2080.

EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order revokes the Diseases of Fish (Infected Area) (Scotland) No 2 Order 1977 which declared that part of Loch Etive, Argyll, described in this Order to be an infected area for the purposes of the Diseases of Fish Act 1937.
