EXPLANATORY NOTE

(This Note is not part of the Order.)

The Food Protection (Emergency Prohibitions) (Wales) (No. 2) Order ("the principal order"), as amended by S.I. 1986/1707, contains emergency prohibitions restricting various activities in order to prevent human consumption of food which has been or which may have been rendered unsuitable for that purpose in consequence of the escape of radioactive substances from a nuclear reactor situated at Chernobyl in the USSR.

This order excepts from the restrictions imposed by the principal order those sheep which were in that part of the designated area described in article 4 on 10th October 1986; in consequence any sheep which have been moved from that area before that date remain subject to the restrictions imposed by the principal order and, in particular, may not be slaughtered, anywhere in the United Kingdom, for human consumption or for the use in the preparation of feeding stuffs.

A map of the area described in article 4 is available for inspection during normal office hours at the offices of the Welsh Office Agriculture Department at Penrallt, Caernarfon, Gwynedd LL55 1EP; Government Buildings, Spa Road East, Llandrindod Wells, Powys LD1 5HA; Station Road, Ruthin, Clwyd LL15 1BP and Cathays Park, Cardiff, South Glamorgan CF1 3NC.
