EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose restrictions on flying in the vicinity of the North Sea adjacent to East Anglia, then a corridor via Royal Air Force Marham Norfolk, to Royal Air Force Cranwell and Royal Air Force Waddington Lincolnshire, where dispersal will occur, for flypast rehearsals that are due to take place there on the two days of 3rd and 4th June 2025.

As timings for the rehearsals are critical and the formation may not be able to take effective avoiding action, the Civil Aviation Authority and the Department for Transport agree that it is in the public interest that flying should be restricted in the vicinity of the relevant areas to avoid the risk that transient aircraft may disrupt the formation.

These Regulations apply except insofar as flying is already prohibited by the Air Navigation (Restriction of Flying) (Nuclear Installations) Regulations 2016 (S.I. 2016/1003) and the Air Navigation (Restriction of Flying) (Prisons and Young Offender Institutions) (England and Wales) Regulations 2023 (S.I. 2023/1101).

The times mentioned in regulation 3 are Co-ordinated Universal Time (UTC) which is one hour behind British Summer Time (BST).

In relation to the permissions mentioned in regulation 3(4)(b) and 3(4)(d), 78 Squadron Royal Air Force Swanwick may be contacted via telephone numbers 01489 612417 or 01489 612408 and the Royal Air Force King's Birthday Flypast Project Officer may be contacted on telephone number 07771 751710.

Full details of this Statutory Instrument will be promulgated by Briefing Sheet and Notice to Aviation (NOTAM).

The point of contact in the Civil Aviation Authority is Mr David Ridley, Airspace Regulator, Safety and Airspace Regulation Group, on telephone number 03301 382471.
